(18 holes)

• August 6th

Team parent meeting held in the Middle School cafeteria from 5:00-6:00 pm.

Important Summer Information!

We are looking forward to an exciting and rewarding golf season this fall. Tryouts for the Middle School golf team will be held August 3rd, August 4th, and August 5th. All try-out times are tee times. Please arrive at least 30 minutes prior to the indicated tee time. I would encourage all students interested in trying out for the Middle School golf team to play at least one practice round on the tryout course. All participants will be required to supply their own golf clubs, golf balls, and golf tees. Participants are allowed to use a pull-cart. It is mandatory for the participants to attend all try-out dates or submit an official score from a recognized youth tournament to be considered

for team selection.

All paperwork (physical form, emergency medical form, student insurance form, etc.) must be submitted prior to tryouts. Students will not be allowed to tryout if they have not turned in all forms and completed the registration process. These forms are available on-line via the HS/MS Athletic website via the Final Forms link. Paper forms must be completed and submitted to the MS athletic department. If possible, please complete the on-line registration process and submit completed paperwork by July 18th.

If you have any questions you may contact Coach Armprister at 413-8694 (w) or 740-971-9392 (c).

Have you had a Physical?

All students participating in golf will need an athletic physical examination from a physician. If you have not had a physical in the last year or the current physical will expire during the sports season you will need to get one before our first tryout date (August 4th). Some doctors require a few

weeks' notice to get an appointment so don't wait until the last minute. There is a form on file with the athletic department that will need to be completed and signed by your child's physician. Please upload the completed physical form into Final Forms.
