**ATHLETIC
PARTNERSHIPS**

Athletic Director's Message

Eagle Supporters,

As a valued member of our community, the North Olmsted Athletic Department invites you to explore our mutually beneficial partnership opportunities. This goes beyond mere advertising and is about investing in the future of our student-athletes and our community.

Our district's unique 6-12 campus integrates both our high and middle schools, ensuring that our athletic spaces are hubs of activity for students from various educational levels, as well as numerous community groups and recreational programs. Our stadium and gymnasiums serve as a host to a wide array of events and activities.

Revenue generated from these partnerships directly contributes to our athletic fund, which supports our team purchases, including equipment, uniforms, the most modern technology, and facility upgrades.

For more details on how you can elevate your brand while supporting North Olmsted Athletics, please contact our office. Together, we can ensure the continued success and growth of our athletic programs, enriching the lives of our student-athletes and fostering community spirit.

Thank you for your consideration,

Brett Koch
