- Physical Form
- RankOne Forms

Physical Form for 2026-2027

For students participating in Oklahoma City Public Schools (OKCPS) - Classen SAS MS Athletics, there are strictly two physical examination forms that are accepted for clearance:

Accepted Physical Forms

- **The OKCPS Athletic Physical Form: This is the district's preferred document for all student-athletes. (Available at csasmscomets.com)**
- The OSSAA Physical Form (Updated April 2026): The Oklahoma Secondary School Activities Association updated their standard physical evaluation form in April 2026. Because OSSAA governs secondary school athletics in the state, OKCPS accepts this newer version as the only valid alternative to their district-specific form.

Important Reminders for Athletic Physical Form

To ensure there are no delays in getting cleared for practice or competition, keep these standard procedures in mind:

- **Date Restrictions:** Physical examinations typically must be performed on or after May 1st, 2026 to be valid for the upcoming 2026-2027 school year.
- **Medical Professionals:** The physical must be completed and signed by an MD/DO, Nurse Practitioner, or Physician's Assistant.
- **Signatures:** Always double-check that both the parent/guardian and the student have signed the medical history and consent sections before turning the paperwork in.

RankOne for 2026-2027

While the physical form itself is completed on paper by your doctor, you will need to submit it—along with all other required digital consent and liability forms—through the RankOne portal used by OKCPS Athletics. (Available it will be at csasmscomets.com)
