

## Muskogee Athletics External Event/Travel Waiver

The safety of our athletes, coaches, and fans remains our top priority. As news regarding the coronavirus (Covid-19) outbreak continues to evolve, Muskogee Athletics is monitoring the situation closely and will periodically update our guidelines based on current recommendations from the Center for Disease Control and Prevention and World Health Organization.

To prevent the spread of COVID-19 and reduce the potential risk to athletes and teams, we are requiring any athlete who may be traveling out of town for any reason or participating in any large club tournaments (Club Volleyball, AAU Basketball, Club Baseball/Softball, Dance Competition, etc.) to quarantine from all Muskogee Athletics participation, including practices and games, for a period of ten days.

Exceptions may be applied to students who submit this form, at the discretion of the Athletic Director.
