Release Form Request for Student-Athlete Parent to Transport

It is expected that all student-athletes will use transportation provided by the school district to travel to and from athletic contests. There are several reasons for this procedure but foremost are safety, security and legal liability. The school district realizes that there are exceptions or extenuating circumstances that may be approved by the athletic director. Therefore, all students wishing to ride home with only a parent or guardian must submit a transportation release form request to the athletic director. Requests must be made not later than the 24 hours prior to the competition in which the student-athlete is requesting to travel home with only a parent or guardian. Forms are available in the athletic office.
Should you have any questions or concerns, please feel free to contact the athletic office.
