

31st Annual Warrior Spring Classic

March 25th to March 30th, 2024

riverdalewarriors.com/2024-WSC.pdf

Welcome to the 2024 Warrior Spring Classic, hosted by Riverdale High School. As we enter our 31st year of this tournament we are excited to host our biggest and best tournament yet. We have 71 varsity and 27 junior varsity teams, 131 varsity games and 36 JV games at 19 sites in this year's event. This tournament has grown every year in quality and quantity into an event that every team participating can be proud to be a part of. The Warrior Spring Classic is a successful and fun event only because of the quality and commitment of the host sites and visiting teams. Every one of our host sites have great venues and provide a great experience for all the traveling teams. Throughout the years of this tournament, I have made many great friends and built relationships that I would not have had otherwise. We are proud to partner with PBR (Prep baseball report) this year and are looking forward to a strong partnership and big announcement moving forward. My hope is that every single team, player, coach, and fan can have an experience they will remember and want to be a part of again. Thank you for participating this year and I hope I get a chance to see all of you.
