32nd Annual Warrior Spring Classic

March 24th to March 29th, 2025

riverdalewarriors.com/2025-WSC.pdf

Welcome to the 2025 Warrior Spring Classic, hosted by Riverdale High School. As we enter our 32nd year of this tournament we are excited to host this year's WSC. We have 60 varsity and 26 junior varsity teams, 117 varsity games and 38 JV games at 18 sites in this year's event. This tournament has grown every year in quality and quantity into an event that every team participating can be proud to be a part of. The Warrior Spring Classic is a successful and fun event only because of the quality and commitment of the host sites and visiting teams. Every one of our host sites have great venues and provide an awesome experience for all the teams traveling to Middle Tennessee. Throughout the years of this tournament, I have made many great friends and built relationships that I would not have had otherwise. We are proud to partner with PBR (Prep Baseball Report) again this year. My hope is that every single team, player, coach, and fan can have an experience they will remember and want to be a part of again. Thank you for participating this year and I hope I get a chance to see all of you. Sadly, our Indiana and Wisconsin friends can't make it here this year because of the way the calendar falls.
