Welcome to the 33rd Annual WSC

Welcome to the 2026 Warrior Spring Classic, hosted by Riverdale High School and the Warriors Baseball program. As we celebrate our 33rd year of this tournament, we are proud to welcome 58 varsity and 25 junior varsity teams from 5 states — Alabama, Florida, Illinois, Ohio, and Tennessee — to beautiful Middle Tennessee this spring.

This tournament has grown every year in quality, reputation, and reach into an event that every team participating can be proud to be a part of. The Warrior Spring Classic is a successful and fun event only because of the quality and commitment of our outstanding host sites and the traveling teams who make the journey to Murfreesboro each spring. We know many of you are leaving snow, cold, and grey skies behind — welcome to Tennessee.

Every one of our host sites provides great venues and an awesome experience for all the teams making the trip to Middle Tennessee. Throughout the 33 years of this tournament, we have made many great friends and built relationships that we would not have had otherwise. That is ultimately what the WSC is about — the game of baseball and the community it creates.

We are proud to partner with PBR (Prep Baseball Report) again this year, giving every player maximum exposure. Our hope is that every team, player, coach, and fan can have an experience they will remember and want to be a part of again next year. Thank you for making the 33rd Annual Warrior Spring Classic a part of your spring.

◆ MUSIC — Sound of the South

Nashville is the music capital of the world. Start on Broadway with its legendary honky-tonks, then catch a show at the Ryman Auditorium, the Mother Church of Country Music, where legends have stood since 1892. The Bluebird Cafe seats just 90 people — Taylor Swift was discovered here. The Station Inn is Nashville's home of bluegrass — cash only, BYOB, and worth it. Grand Ole Opry tickets: get them if you can.

◆ FOOD — Where Locals Eat

Prince's Hot Chicken on Ewing Drive has been burning mouths since 1945 — order medium unless you mean business. Martin's Bar-B-Que in Nolensville is whole-hog BBQ done right. The Loveless Cafe on the Natchez Trace has served biscuits and country ham since 1951. Swett's on Clifton is Nashville's greatest meat-and-three. Puckett's in Franklin is a locals' breakfast institution — sit long enough and you might share a table with a country star, a senator, or both. The Pancake Pantry in Hillsboro Village has had lines out the door since 1961 — Faith Hill, Tim McGraw, and half of Nashville have been spotted here on a Sunday morning. Rotier's on Elliston Place is Nashville's best burger, full stop. Bell Buckle Cafe and Miller's Grocery in Christiana round out the hidden gems.

◆ PLACES — History & Beauty

The Hermitage is Andrew Jackson's 1,000-acre estate just east of Nashville. Downtown Franklin is a must — walk the square and visit the Carter House, where the Battle of Franklin was fought in 1864. Cheekwood Estate has 55 acres of formal gardens in full bloom right now. Belle Meade tells the story of one of America's great thoroughbred farms. The Natchez Trace Parkway — no trucks, no billboards — is one of America's great scenic drives.

◆ SHOPPING — Local & Boutique

Fifth + Broadway in downtown Nashville blends local makers and national brands under one roof. The Factory at Franklin — a converted 1929 stove factory — is now 11 buildings of shops and galleries. Hill Center in Green Hills is where locals shop.

◆ SPIRITS — Raise a Glass

Jack Daniel's in Lynchburg is 45 minutes south — the world's best-selling whiskey, made in a dry county since 1866, and the tour is free. George Dickel in Tullahoma is even closer and criminally underrated. Nelson's Green Brier Distillery in Nashville tells the story of a family recipe lost for 100 years and found again.

Post your game photos and scores to @RHS_WSC — we would love to see them!
