

WARRIOR WX
Riversdale High School

from the Warrior Weather Center

What's Weathering?

OCTOBER 2026

Field Trip ALERT!

WarriorWX is headed to Skyhawk Country in Martin, TN, to tour the State's only college meteorology program! We'll spend the day learning all about what they do, their offerings, and how to become a meteorologist! Info coming...
Save the Date: Friday, November 13th

UT
MARTIN

We're going on a college road trip!

Our Weather Library

Did you know our club has a weather library? It is stocked full of awesome books, magazines, and weather learning resources and is being added to regularly! Feel free to check something out, take it home, return it, and repeat! We always want our students to be weathering.

What We're Currently Weathering

October Weather Focus: **Wind**

Current Projects: **fulfill fundraiser orders; prepare for BES visit**

Upcoming Field Trips: **Buchanan Elem. (BES) Kinder WX program**
