

WARRIOR WX
Riverdale High School

from the Warrior Weather Center

What's Weathering?

AUGUST 2026

Welcome back, Warriors!

We are so excited to have you back on campus and in WarriorWX! Our group has a great semester planned and looks forward to fun, learning, and growth in our studies of weather and meteorology.

New Warrior Weather Center

New CoCoRaHS Stations!

WarriorWX has been busy this summer. We helped install two (2) new CoCoRaHS rain gauges at local feeder schools - Buchanan Elementary & Christiana Middle! These gauges will be the newest precipitation data points for Tennessee to the network! Keep an eye on the stations every day at cocorahs.org.
