STUDENT PARTICIPATION

The goal of the athletic program is to offer the opportunity of participation to all students. Interscholastic athletics fosters competition and cooperation. It also represents an area of great potential for teaching dedication, perseverance, courage, poise and practicing the pursuit of excellence. However, no student is obligated to take part in athletics. Participation in the Anna ISD Athletic Program is a privilege, not a right. **Since it is a privilege, the coaching staff has the authority to suspend or revoke the privilege when the rules, regulations, or standards of the athletic program are not followed.**

RESPONSIBILITIES OF AN ANNA ISD STUDENT-ATHLETE

All student-athletes have the responsibility to play to win, give their best effort, strive for excellence, and exhibit good conduct at all times in a manner that is a positive example to team members, fellow students, and the community. The fact that an individual has chosen to participate in interscholastic athletics is indicative that the student has taken into consideration the rewards, privileges, and pleasures obtained from participation, in addition to the responsibility of following rules, regulations, and meeting the demands of being a student-athlete. The privilege of representing the Anna ISD Athletic Program coincides with the expectations of the campus principal, coaches, teachers, parents, community, and most of all, by fellow teammates and classmates. As student-athletes, you are always on display.

The responsibilities of a student-athlete include, but are not limited to, the following:

- The student-athlete will strive for excellence in all activities at all times while being a member of the Anna ISD Athletic Program.
- The student-athlete will faithfully abide by all rules set forth in the athletic handbook.
- The student-athlete will abide by the practice schedules and complete workouts each day.
- The student-athlete will personally notify his/her coach when unable to attend practice and will miss practices only under extreme circumstances.
- The student-athlete will abide by the coaches directions, instructions, and decisions. Insubordination will not be tolerated.
- The student-athlete will be responsible for the proper care of all issued clothing and/or equipment. The student-athlete will be required to pay for any clothing and/or equipment that is lost, damaged or destroyed. Issued clothing should not be worn outside of athletic participation (practice/competition). Exceptions may include “game-day” dress.
- Most importantly, the student-athlete will represent Anna ISD to the best of his/her ability to set an example to the community of the values and expectations promoted within the school district.

Student-Athletes will be expected to:

- Respect coaches, teammates, teachers, staff, administrators and classmates.
- Follow directions the first time they are given.
- Refrain from unsportsmanlike conduct of any manner.
- Comply with Anna ISD Board Policies, the District code of conduct, and discipline management plan.

The Anna ISD Athletic Program is an integral part of the total school experience for both boys and girls. It offers a variety of sports and activities to students who have the desire to participate. The athletic program is a vital part of education. The rules, regulations, and standards set forth in this handbook are designed to provide for the efficient operation of such a program. ***The student-athlete will be held accountable and responsible for all policies contained within this handbook and for any additional expectations set forth by the Head Coach.***

ATHLETIC SUSPENSION/ REMOVAL FROM A SPORT

Athletics at AISD is a privilege. Since participation in athletics is a privilege, a student athlete who violates the general policies and procedures prescribed by the UIL and AISD may lose the privilege to participate. The philosophy of the AISD Athletic Department is to create a successful program based on high standards and ideals. The coaching staff will work with each individual student athlete to ensure appropriate sportsmanlike behavior. The coaching staff will address any violation of policies – sportsmanship, training rules, missing practice, poor attitude, etc., - with the desire to help the student athlete. The welfare of the AISD Athletic Department and student teams will take priority. Each coach:

- has the right to discipline student athletes on his/her team keeping in mind the welfare of the team as well as the welfare of the individual.
- should exercise sound judgment in evaluating situations and penalties being as consistent as possible.

A coach will dismiss a student athlete from a team only after:

- Reviewing procedure for dismissal
- Discussion of action with Athletic Director
- Documenting situation and actions
- Providing documentation to parents and student athlete
- Confirming that all documentation is on file

A coach must report any major disciplinary action within twenty-four hours of the incident to the Athletic Director and the appropriate School Principal.

Disciplinary due process procedures for removal of student athletes:

1. Notification of principal and athletic director within 24 hours
2. Notification of parents within 24 hours
3. Suspension for up to three days from the particular sport – beginning the day of the offense
4. Conference with parent(s) within the three day suspension if requested by parent or athletic department
5. Removal decision rendered at or before the end of the three day suspension

Student athletes and parents should be aware:

1. A school year begins immediately after the last day of the previous school year.
2. **An athlete may not quit one sport to play another sport.** The following procedures should be followed in order to drop/quit a sport:
 - Examine the situation before a decision is made.

- Talk to the coach to see if a solution can be reached. (A parent conference may be required)
- If the decision to quit is made by a student-athlete in grades 9-12, the student-athlete must check out of the sport through the Head Coach. All clothing/equipment issued to the student-athlete must be returned in the same shape as it was when it was issued to the athlete. Payment for any lost or damaged clothing and equipment will be required. This matter must be resolved before a student-athlete begins participating in his/her next sport.
- A student-athlete that decides to quit one sport to join another must wait until the first sport has completed its season before they are allowed to participate in competition or practice.
- Exception: Athletes who choose to quit a sport during the two-week “tryout window” will not be subject to this consequence. The tryout window is defined as the 14 calendar day period of time beginning with the first official practice of the particular sport’s season.
- A student-athlete who quits in a manner inconsistent with the above scenarios will not be allowed to compete for the remainder of the school year.
- Students will not be allowed to join a sport after regular season games have started without approval from the Athletic Director. This does not apply to students who enroll during this time.

Coaches in conjunction with the Athletic Director, reserve the right to prohibit any athlete from joining a team or sport if that athlete has routinely failed to complete seasons in other sports that they have started, whether due to conduct, attitude, or poor academic performance. Failure to participate in the mandatory off-season program may also constitute dismissal from the athletic program. Routinely quitting sports may result in dismissal from the athletic program.

3. Any athlete placed in the District Alternative Education Program (DAEP) will be ineligible for athletics during the period of time in which the athlete is in DAEP.

Any subsequent assignments during the same school year to any of the following may result in suspension from athletics for the remainder of the school year:

- DAEP
 - ISS
 - administrator detentions
 - out-of-school suspension
 - expulsion
4. Any athlete present at a party or gathering where alcohol and/or drugs are being used, may be suspended for a game (or games) and/or may have to perform extra conditioning above and beyond the normal requirements. If a student athlete has repeated offenses, the coach and Athletic Director may dismiss the student athlete from the team.

5. Any athlete placed in ISS will be ineligible for any activities of the athletics department until the prescribed time is served. The student is expected to practice with the team when practice falls outside of the school day.
6. Any athlete found to be in possession of or having used or distributed marijuana, narcotics, or other dangerous drugs or paraphernalia may be subject to the banning of participation in any athletic event for the remainder of the school year or other disciplinary action as deemed appropriate by the Athletic Director. Any student testing positive through the mandatory school drug test will be disciplined accordingly to district policy
7. Any athlete removed from a contest for unsportsmanlike behavior towards an opponent, coach, or official will be counseled by the Athletic Director and the Head Coach the next day. Should the action be repeated in the same school year, the athlete may be removed from the athletic program for the remainder of the year. An athlete ejected for any of the above behavior will serve a suspension of 10% of total games will be imposed on the athlete.
8. Student athletes are responsible for all uniforms or equipment issued to him/her. Coach(es) will keep accurate records of equipment and to whom it is issued. Student athletes must be aware of the financial responsibility of using AISD uniforms and equipment. A student athlete will not be allowed to participate in any other athletic program until all issued uniforms and equipment are returned in good condition or paid for.
9. Student athletes are representatives of AISD; therefore, athletes should strive for acceptable and proper conduct at school and all school functions. Athletes should show respect for all coaches, teachers, and administrators.
10. All athletes competing in athletic contests will remain with the team and under the supervision of the coach or trainer until dismissed by the coach or trainer. If an athlete is ejected from the contest or substituted for in a contest, the athlete will remain under the supervision of the coach until the athlete is dismissed by the coach. In the case of injury, the coach, trainer, or doctor may become the supervisor of the athlete if the athlete is removed from the site of the contest.
11. Any athlete who is in possession of or found to be using alcohol or tobacco (including vape paraphernalia) products of any kind will be suspended from his or her next athletic contest. A second violation will result in dismissal from the athletic program for the remainder of the year.
12. Student athletes, managers, trainers, or students who leave the sideline, dugout, bench or stands to participate in a verbal or physical confrontation may be suspended for a future athletic contest(s). Coaches, officials, and the Administrator on duty will deal with the situation. Any athlete, whether as a participating athlete or spectator, is expected to remove him/herself from any involvement in any verbal or physical altercation. The Athletic Director will have final decisions in all actions taken.
13. Any violation involving the police other than routine traffic violation may be grounds for disciplinary action.

ATTENDANCE/ABSENCES/TARDIES

Student-Athletes are expected to be dressed and on time for all practices and competitions and remain for the duration of the practice or competition. It is the student-athlete's responsibility to notify the coach if he/she must miss a practice or competition. By becoming a member of the Anna ISD Athletic Program, you are making a commitment to the program. ***An unexcused absence from a game will result in suspension of the next scheduled game.**

*An excused absence is that of an illness, emergency, etc... A doctor's note or note from a parent may be required.

As with any other activity, please be aware that excessive tardiness or absences will result in a loss of practice/instructional time. This loss of time could subject the student-athlete to loss of playing time or even dismissal from the team. Sport-specific drills and conditioning may be required for any tardy or absence at the discretion of the head coach.

SPORT BANQUET/ AWARD PROGRAM

Each sport will host a banquet/award program at a time and date to be determined upon completion of that sports season. All athletes participating in that sport are encouraged to attend. Not all sports will host the same type of award program/banquet.

In accordance with UIL rules and regulations, for safety reasons, student-athletes are not allowed to wear jewelry of any kind during athletic competition.

ELIGIBILITY/GRADES/TUTORIALS

The Anna ISD coaches and administration shall determine each student's eligibility according to UIL rules and regulations as specified in the UIL Constitution and Contest Rules. Anna ISD strictly adheres to these rules and regulations. UIL, the State Board of Education, and the Texas Education Agency rules are strictly enforced. Coaches may check student-athlete averages at any time within a grading period. Student-athletes may be required to attend tutorials if their grades are not acceptable.

The Athletic Department **strongly urges** that all student-athletes leave with a parent/guardian only in emergency situations. Head coaches of each sport will determine if they will allow Sub-Varsity players to travel home after an away contest. **Jr. High athletes will be allowed to ride home from away athletic events with a parent/guardian signature on a travel consent form.** These forms can be downloaded from the school athletic website.

Student-Athletes will follow the dress code for all bus trips, if not dressed in the team uniform before leaving the school. Team shirts may be issued for some sports, and student-athletes will be expected to dress in them for each trip. All other clothing will be in good condition (no holes, ragged, or sagging pants/shorts) and follow Anna ISD Board approved dress code. Food and/or drinks will only be allowed on the bus with the approval of the coaches. **Head Coaches reserve the right to set the expectations for travel dress code to other campuses. The coaching staff retains the right to ban any radios, electronic games, cell phones, etc... on away bus trips.**

SELECTION OF TEAMS

The head coach of each sport will determine the players on each team. The selection of teams will include, but is not limited to: skill level, knowledge of sport, attitude, and experience in the sport. Middle school and high school sub-varsity team members will receive adequate playing time based upon performance and meeting expectations. **Members of varsity teams are not guaranteed playing time.**

HAZING

“Hazing” is against the law and will not be tolerated. “Hazing” means any intentional, knowing, or reckless act occurring on or off school property directed against a student by one person, alone, or acting with others, that endangers the mental and/or physical health or the safety of a student for the purpose of pledging, being initiated into, affiliating with, holding office in, or maintaining membership in any organization whose members are to include other students. The Athletic Director empowers the coaching staff to enforce and maintain all policies and standards described in the Athletic Handbook. Communication will be maintained between the coaching staff, the Athletic Director, and the campus Principal when infractions warrant suspension from athletic activities.

The Anna Independent School District does not discriminate against any person because of race, creed, national origin, age, sex, economic status, or handicapping condition in employment, promotion, or educational programming. Student-athletes and parents are expected to follow the chain of command and first confer with the coach in question, then if necessary, the Head Varsity Coach of the Sport, followed by the Athletic Director, the building Principal, and finally the Superintendent of Schools when an athletic concern exists. All academic concerns should be initiated with the teacher and then the campus Principal. Concerns addressing both athletic and academic matters should be addressed to the campus Principal and Athletic Director.

Thank you for taking the time to review the policies of the Anna ISD Athletic Department. Please contact the Athletic Director or any member of the coaching staff with additional questions or concerns regarding the contents within the Athletic Handbook. Please sign the acknowledgement form attached below and return it to a member of the coaching staff.

Completing the forms online thru RankOne does not require the return of the signed acknowledgement form.
