Middle School Madness Tournament, Concession Stand, T-shirt sales.

# Chisholm Trail High School Student-Athlete Agreement

1. To represent Chisholm Trail High School and the volleyball program in a positive manner at all times. This includes actions in the classroom, on the court, in the community, and on social media.
2. To ensure the attendance and engagement of student-athlete in all classes, practices, team meetings, and competitions.
3. To notify coach in advance of anticipated absence. It is unacceptable to miss class, practice, meetings, rehab or prehab, and competition for social reasons. All student-athletes are expected to be at all events. Notification is for emergency situations. Communication is very important. Make up work out will be implemented for ANY missed practice or game.
4. I understand that participating and representing the Chisholm Trail volleyball team does not equate to equal playing time. It is the responsibility of the student athlete to earn playing time and is up to the coach's discretion to award playing time. \_\_\_\_\_ Initial
5. To read and abide by rules of the UIL.
6. To ensure the participation of student athletes as assigned to duties involved in the tournaments and matches hosted by Chisholm Trail High School. Duties include but are not limited to scorekeeping, line judging, clean-up and other duties as needed to insure the proper operation of the tournament/matches. No one will leave the tournament until all the team's duties are fulfilled unless given permission by the coach.
7. To ensure that student athlete refrains from possession, consumption, and/or use of alcohol, any controlled substance under the statutes of the State of Texas and UIL unless properly prescribed by a physician, and/or any other substance prohibited by law. This includes vaping.
8. To travel to competitions with the team. On some occasions, the coaches will allow parents to sign out their own child from away matches. Sign out needs to be on district sign out form. These opportunities are at the discretion of the coach. The expectation is that student athletes will stay and support the program and then get signed out. Due to bus driver shortage we will allow students to be signed out after completion of all teams competitions.
9. To ensure the proper handling and care of equipment signed out to the student athlete. The student athlete is responsible for returning the equipment in the same condition that it is signed out to them. The student will be responsible financially to replace any lost, stolen, or damaged equipment issued to the student athlete. Before moving to the next sport, after the season has concluded, all equipment must be turned in.
10. To ensure that the student athlete is responsible for training and rehab with the training staff or with exercises given to student athlete from the trainer at practices until the student athlete is released to practice. In the event of an injury, the student athlete needs to see the trainer first.
11. If there is a question for the coaches, the student athlete should address it with the coaches first. If parents would like to speak about their child after the child has met with their coach, a meeting will be arranged with both student athlete and parent present. Out of respect with all parties involved, we will visit about your child and only your child.
12. If a student athlete enters the gym for practice or competitions, cell phones and jewelry will be prohibited unless given permission by the coach. In the event of an emergency, permission will be granted.
13. There shall be professional boundaries amongst all team members and no inappropriate behavior amongst team members.

Chisholm Trail volleyball coaches have the right to impose disciplinary sanctions for infractions of these rules, including suspension and/or termination.
