Eligibility is lost or gained at the end of the school day when the school bell rings to dismiss students. Students may only lose eligibility at the six weeks grading period (not at the three week progress report time.) Students may regain eligibility at both the three weeks progress report and at the six weeks grade report.

A student will regain eligibility at the end of the school day before the holiday, which must consist of 5 consecutive days. Upon returning from breaks, ineligible students return to their previous ineligible stateus through the next grade evaluation and grace period.

An incomplete grade must be changed by the teach in the grading system within 7 days prior to the student becoming eligibile.

At the beginning of the school year a student must have enough credits to be eligible for participation. After the 1st 6 weeks is complete, the credit scale is no longer an issue.

Sophomores must have at least 5 credits.

Juniors must have at least 10 credits.

Seniors must have at least 15 credits.
