

Summer is winding down and the first bell at HPHS is right around the corner. As you go online to register, please remember to **join the Highland Park Sports Club (“HPSC”)**. The sports club has supported all HP sports programs since 1989; contributing over 8 million dollars since 2000. Every year our school’s athletic program is underfunded and relies on all of us to help with the shortfall. Please join the sports club and help support one of the best athletic departments in the country.

The HPSC also funds four scholarships to graduating seniors and contributes to the general budget of the HPISD.

The sports club raises money through membership sales, an annual golf tournament, donations and a variety of advertising opportunities for local business’. The HPSC operates the Scot Shop located in Highlander Stadium.

Please join the Highland Park Sports Club today, renew your membership or donate to support our school’s athletics and teams. You can also sponsor the HPSC and advertise with us! Your support is both tax deductible and greatly appreciated!

If interested in advertising opportunities, please reach out to me at savannah@atroposexp.com
