

LCMS Pre-Game Meal for 7th & 8th grade Football Teams

We will be organizing meals for both the 7th & 8th grade football players before each of their games. Since they aren't able to leave before their games to eat, we hope this will alleviate the task of trying to get food to your player before they play. We've made arrangements with several different restaurants to cater each game. We're looking for a \$45 donation from each player, which would cover all meals for him/her for the season. We realize there are some players that may need assistance, so if you know of someone, please contact me, Laura Marcinkowski, at 543-8646, OR indicate when you pay via Paypal or Venmo, if you want to sponsor a player(s). We want EVERY player to have a full belly so they can play their best!

You may pay via Venmo or Paypal (see below) OR we will have a table set up at the games on September 9th & 10th to collect money, with the first meal being served before the games on those days as well.

If paying by PayPal, ***please put your player's name AND grade in the "Note" section***, and if paying by Venmo, ***please put your player's name AND grade in the "comment" section***. ***If you are sponsoring more than your child, indicate how many players you are paying for in the note or comment as well.***

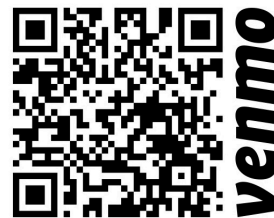

PAYPAL:
