

Advertise your business while supporting Manvel Maverick Baseball

You are invited to continue the winning tradition established by the Manvel Maverick Baseball Program. Our Home plate signs help you promote your business while supporting the team and the community. Advertising fees are used to purchase equipment, to make needed improvements to the field and go toward the construction of covered batting cages & bullpens.

The Manvel Maverick Baseball program is offering a great opportunity for area merchants to advertise their business in the best high school baseball field in the Houston area. Maverick Field will be a host to many games in the years to come. Besides high school games there will be numerous summer leagues, baseball camps, pro and college scouting combines, select baseball tournaments and various leagues using Maverick Field.

The Manvel area continues to explode with growth. As the high school grows and the Highway 6 corridor gets busier, the escalating traffic to the area will bring more exposure to the area and your business. Sponsoring the Maverick Baseball program with a home plate sign with your business information will greatly increase your visibility and contribute the Manvel High School and it's baseball program.

We will locate the sign either on the fences enclosing the field or on the fences on the underside of the grand stands.

A portion of all donations is tax deductible.

Your business will get **exposure to thousands of fans** from surrounding areas who attend games and tournaments. You will also be helping to build the leaders of tomorrow!

We also appreciate any donations of cash, goods, and services that you can provide!

Thank you for your support of our youth. We'll see you at the park!

Hoka Hey!

Coach Kelly Kerlin
