

PORT NECHES-GROVES HIGH SCHOOL SOFTBALL FUNDRAISER 2018-2019

Aluminum Signs: Advertisement For One Full Year

It's that time again, to raise funds for PN-G softball. We are selling aluminum signs that advertise our local businesses. These signs will be sold between now and **January 7th, 2019**, so get your name up now! Each business that purchases a sign will see it displayed at the ballpark on the third base side of the bleachers/dugout. At the end of the season the signs will remain on the dugout until next year. At that time, anyone who has a sign may renew at a discounted price. If at any time, a business wishes not to renew their sign, the sign will be given to that business.

The money generated through this process will be used as supplemental funding to keep our team competing at the highest level.

If you have any questions, please call Coach Lemoine in the athletic office at 409-729-7644 ext.131, or email at jlemoine@pngisd.org.

Checks can be made payable to **PNG HS – Softball** and given to a softball player, coach, or mailed to the high school at **1401 Merriman St, Port Neches, TX 77651**.

If you have a business card, and are purchasing a new sign, **please attach the card** to the form or give your design for the sign.

We would greatly appreciate your support!

Thank you,

The PNG Softball Team
and

Jessica Lemoine
Head Coach
