PNG FANS – HOME PLAYOFF GAME – NOVEMBER 14, 2025

CURRENT SEASON TICKET HOLDERS FAQs

These questions pertain to current season ticket holders only.

Q: When will I receive the information to purchase my playoff tickets?

A: You'll receive an email with purchasing instructions and your passcode from the Port Neches-Groves ISD Box Office by Monday, November 10. You'll be able to purchase your current reserved tickets Monday, November 10 through Tuesday, November 11, before tickets are sold to the public.

Q: Do I need a passcode to purchase my playoff tickets?

A: Yes, you need the passcode in the email from the Port Neches-Groves ISD Box Office to purchase your current reserved tickets. Passcodes are unique to each ticket holder so don't share them with others. If you can't find your passcode, contact the PNG Athletic Office.

Q: If I don't purchase these playoff tickets, will I lose my season passes for next season?

A: No, you will not lose your season passes if you don't purchase playoff tickets or give them to someone else. This game does not affect pass ownership.

Q: Do I have to purchase my current reserved seats for this game, or can I purchase different reserved seats?

A: You don't have to purchase your current reserved seats. If you wait until Wednesday, you can purchase any reserved seat that's available. Not every season ticket holder will purchase tickets for this game. Therefore, if your current seats don't meet your needs, you may find seats on Wednesday that you prefer instead.

Q: If I purchase different seats from my current seats, will that affect anything next season?

A: No, if you purchase different seats for this playoff game, it will not affect your seats for next year.

Q: I don't need all my tickets for this game. Do I have to purchase *all* the reserved tickets that I own? Will that affect my tickets for next season?

A: No, you don't have to purchase all the seats you own. Click the red "X" on any seats you do not want for this game. The seats you purchase for this game will not affect your ownership for next season.

Q: I own season tickets, but I need additional tickets for this game. How can I get more tickets?

A: You have two options.

Option #1 - Purchase your reserved tickets Monday or Tuesday. Then on Wednesday, purchase additional tickets needed. However, all your seats may not be together.

Option #2 – If you want all your seats together, wait and purchase all tickets needed on Wednesday. Not every ticket holder will purchase tickets for this game, so you may find seats better suited to your needs, and all your seats will be together. (See note below.)

Important Note - There is a 10-ticket limit starting on Wednesday. If you need more than 10 tickets, you'll need someone else in your group to purchase tickets as well.

Q: I read something about the 10-ticket limit. I own more than 10 season tickets and want to purchase all of them for this game. Will I be able to purchase all my tickets?

A: Yes, if you own more than 10 season tickets, you will be able to purchase all your tickets Monday, November 10 through Tuesday, November 11. The 10-ticket limit does not go into effect until the public sale starts on Wednesday, November 12.

Q: I'm a season ticket holder but I'm not going to the game. Can I let someone else use my tickets?

A: Yes, you may purchase your tickets online using the passcode you received via email, then give them to someone else. After your purchase, you can send screenshots of your tickets or forward the ticket/receipt email to someone else. If you do not purchase your tickets on Monday or Tuesday, they will be available to anyone starting on Wednesday, November 12.
