

Parents and athletes:

As requested at the VB parent meeting on Monday, we have set up a Jersey Mike's sandwich box meal order. It is an opportunity to order a meal for your volleyball player. It is **NOT REQUIRED**, it is only if you wish to. Just trying to give you options and make it easier to have food.

You order and pay online and have **2 options: ALL games OR Away games** only. Only choose one, DO NOT choose both. If you prefer gluten free bread, that is an option as well. If you order, you are getting a sandwich, chips, cookie and water. It will be delivered to Reading JH that afternoon and handed out to the athletes.

Click on the link for the details and to order. Once you click on it, go to the "Junior High Schools" heading at the top left. From the drop down menu, pick Reading JH, then pick Reading JH girls and choose the option you want. **Orders are DUE Tues. 8/25 before 5PM**
