

Salado ISD Athletics

Salado ISD is committed to the health and safety of our student-athletes. We have teamed with SWAY Medical to perform concussion testing for student-athletes. All student-athletes in grades 7-12 will be required to have a baseline concussion test prior to participation in athletics.

SWAY is available on both Apple and Android operating systems. The following devices are no longer supported for in-app testing: Samsung Galaxy A Series (All phones), Moto G Play, Moto G 5G. Search SWAY Medical in your app store or scan the QR code.
