RE: Football Tickets

Visiting districts should provide the WISD Athletic Office with the number of district passes and student group members, such as band and drill that will be subtracted from the 1,064 total seats. Once we receive that total, the remaining seats will become available to the parents and fans of the visiting community at 6:00 pm Sunday to 8 am Tuesday on our website whitehousewildcats.com/HTtickets. A unique pass code will be given to the visiting athletic director to ensure your community has first access. **Remaining tickets will open to the public at 8 am Tuesday morning.**

- Cheerleaders in uniform do not need a pass, but any support staff not in uniform must have a pass.
- All team personnel not in game uniform must have a press box pass.
