CERTIFIED ATHLETIC TRAINER

- Jeannie Martin-Turner
 - Concussion and return to play protocol
 - Some athletes may be able to return in as little as 5-6 days, while another may take weeks or even months
 - All SOCCER and SOFTBALL athletes must complete their computerized baseline concussion test before they can fully participate in activity.
 - Questions – email Jeannie at martinjeannine@WVSD208.ORG

GRADING/ATTENDANCE POLICY

- Weekly grade checks
- Must maintain “D” or above in ALL classes
- All day school attendance for practice and contest days is mandatory. Full day school attendance is required the day following a contest. (If the team returns to school after midnight, students have 8 hours to report to school)
- To compete, an athlete must attend school on the day of the activity. Approved shortened schedules for seniors, doctor or dentist appointments, or funerals shall serve as exceptions, when pre-approved.

SIA POLICY

- If a team is leaving for a contest prior to school being out, the coaches will turn in an School Initiated Absence (SIA) to the HS Attendance office, the Friday prior to the contest.
- Students will be released from class 15 minutes prior to departure time to get their stuff and get on the bus. Students are not allowed to leave campus during this time.
- It is the students responsibility to check with their teachers, earlier in the week, if they are going to miss class in order to see what work or instruction they are going to miss in class that day.
- At the time of the SIA, students are supposed to quietly exit the class and report to the commons to wait for the bus.

PARTICIPATION STANDARDS

The athletic handbook outlines expectations for participants, parents, and fans as well as a “Coaches Code of Ethics.”

PARENTS

- Leave coaching of the team, playing time, position, and replacement of participants to the head coach/ advisor(s) and staff.
- Respect opposing fans, officials, coaches, advisors, and participants.
- Approach coaches/advisors in public only with positive comments. Withhold any negative comment regarding game, athlete(s) or coaching until such time that the concern can be addressed in an atmosphere conducive to effective problem solving.

LET'S KEEP IT CIVIL

PLEASE REFRAIN FROM:

- Engage others in an angry or aggressive manner on school property or at school activities. This includes referees, coaches/advisors, other fans, parents, students, or school personnel.
- Use swear words or vulgarity on school property or at school activities.
- Threaten, verbally or physically, any person including referees, fans, coaches/advisors, players, spectators, or school personnel at any time on school property or at school activities.
- Create public displays of anger and/or displeasure.
- **Violation of these standards may result in the removal of the parent/fan from school activities, including all future activities.**

WHEN TALKING WITH COACHES

APPROPRIATE CONCERNS

- The treatment of your son/daughter, psychologically and physically.
- Ways to help your athlete improve.
- Concerns about your son/daughter's behavior.

COACH DECISIONS

- Playing time.
- Team strategy.
- Play calling.
- Matters concerning other student/athletes.

IF YOU HAVE A CONCERN TO DISCUSS WITH A COACH, PLEASE FOLLOW THESE PROCEDURES

- Your son/daughter should first talk with the coach about his/her concern.
- Call to set up an appointment with the coach through Kelsey Day (972-5903).
- If the coach cannot be reached after a reasonable time, call Jeff Jamieson, Athletic Director (972-5942). He will arrange an appointment for you.
- Please do not approach a coach before or after a contest or practice. These can be emotional times for both the parent and the coach. Meetings at these times usually do not work well for the coach, the parent or the player.

THE NEXT STEP – CHAIN OF COMMAND

- Call and set up an appointment with the Athletic Director to discuss the situation (509-972-5942).
- At this meeting the appropriate next step can be determined as necessary.

- Athletic Director (509-972-5942)
- Principal (509-972-5906)
- Superintendent (509-972-4005)

THINGS TO KEEP IN MIND

- If an athlete visits/contacts a physician for illness or injury, he/she must bring a note, to WVHS Licensed Athletic Trainer, Jeannie Martin-Turner, AT/L or his/her coach, from the doctor before being allowed to return to practice or games. This is a WIAA rule.
- An athlete must attend all class periods (including RAM STRONG) on the day of a contest or practice, unless prior approval is granted by the Athletic Director.
- An athlete must maintain a “D” or better grade in all classes to be eligible.
- Any use of drugs, alcohol or tobacco will result in a suspension. School rules/Athletic Code policy apply.
- Any athlete who is ejected from a contest will be suspended at least until after the next contest at the same level is completed.
- An athlete may not miss a team practice or contest to participate in a non-school sporting event..
