

CHRISTIAN BROTHERS ACADEMY ATHLETICS

VARSITY FENCING TEAM

Fencing at CBA is one of the only varsity sports where you can join - yes join - as a novice, and with a commitment to the team, letter for four years. Since the team is composed of at least 75% new fencers, most of the team members started their fencing journey at CBA. When parents get to see their sons in action for the first time, the comment I hear most often from the parents is how nice it is to see the upperclassmen and experienced fencers work with and support each other, especially the way they mentor the new fencers. From my view as their coach, this has truly been the reason for the team's success.

Throughout the school year, as a team, we participate in the Crop Hunger Walk in Red Bank and also as a team we support their fellow classmates by attending the school play. The boys have it in their hearts and show it in their actions.

Head Coach Mary Mottola
