\*\*\* A current Physical Examination and permission from parents are needed to play sports. \*\*\*

ALL COMPLETED SPORTS PAPERWORK SHOULD BE SUBMITTED  
TO THE NURSES IN THE HEALTH OFFICE AT THE SCHOOL YOU ATTEND...

(Regardless of which team you intend to play for)

\*\*\* See contact information above \*\*\*

### CHECKLIST FOR STUDENT-ATHLETES

*(Please read instructions below on how to meet the requirements for participation in our athletic program)*

- 1.\_\_\_\_ Student-Athletes must have a valid physical examination on file in the Health Office at the school you attend. New York State regulations specify that physical exams are only valid for a period of one year (twelve continuous months to the last day of the month it was given). (To be eligible to participate in Spring 2019 Sports, physical exams must be dated within one year of the month your sport begins). If you are unsure of when your physical expires, check with your school nurse as soon as possible. We suggest that you staple a copy of your current physical to your paperwork if you have it.

- 2.\_\_\_\_ The Athletic Program Permission Slip/Medical Recertification Form

#### Please Note:

- A **NEW** permission slip is needed before **EACH** sports season.
- Forms must be **completely filled out** and signed by a parent **AND** the student **NO EARLIER than 30 days before the first practice or try-out date (see the Athletics Website)**, and then turned in to your school nurse at the school you attend.
- Forms dated or handed in prior to that time will be **INVALID** and **NOT** accepted.
- **DEADLINE:** All forms are due in the Nurses' Office **at least 1 week prior** to the first practice or try-out date.

- 3.\_\_\_\_ **We ask that all permission forms be submitted directly to your school's Health Office.** Doctor's notes stating that the student is cleared to participate in sports or listing any specific restrictions are necessary if the student has sustained any injury or had a significant illness since their physical was performed. **All doctor's notes should be turned in to your school's Health Office.**

- 4.\_\_\_\_ All athletes must have had a **Tetanus shot** within the past 10 years **on record** with the school nurse. Consider asking your physician's office for a copy of your Immunization Record with your physical.

#### **PLEASE NOTE:**

**You may be contacted if any of the information provided raises questions or concerns by the nurses during the processing of Sports Forms.**

**In addition, clearance for students with a history of multiple concussions may be delayed due to the need for District Physician approval.**

Thank You!

**SECTION II - PARENT PERMISSION & STUDENT AGREEMENT**

**Our signatures below indicate:**

- ◆ Permission to try out for and participate in interscholastic athletics
- ◆ Permission to ride bus to and from athletic contests
- ◆ Permission for Emergency Transportation and Treatment in the event of injury
- ◆ That we have read, understand, and agree to follow the Student Athletic Code of Conduct, Drug Policy and Academic Eligibility Policy
- ◆ That we have received an informational packet on concussions

I understand that participation in the Penfield Interscholastic Athletic Program involves rigorous physical activity and risks of physical injury including catastrophic injury and/or death, and we assume these risks. I further certify that the information I have provided is accurate, that the participant is in good physical condition, and has no medical or physical conditions that would restrict his/her participation in this activity.

All athletic events, including non-contact sports carry some risk of participants sustaining impact to their head which can result in a mild traumatic brain injury commonly referred to as a concussion. This can be a potentially serious condition with significant health implications, and any student athlete exhibiting its signs and symptoms will be removed from play and shall be evaluated by a physician, a nurse practitioner or a physician's assistant. Parents and legal guardians are encouraged to visit the district's website under Athletics and look for Concussion Management for further information.

**SECTION III - STUDENT HEALTH HISTORY REVIEW**  
*(See Page 3 and answer all questions provided)*

\*\*\*The NYSPHSAA states that a student cannot participate in athletics without the approval of the school medical officer. Physicals are valid for 12 continuous months. A health history update (recertification) is required at the start of **EACH SEASON**. If an injury has taken place; or if the student has a prolonged absence (5 consecutive days) due to an illness they must have a release from a physician.
