## *Wildcat Basketball*

### Philosophy

The mission of Westbury Christian School is to provide each student with the opportunity to acknowledge and respond through faith to the Word of God while participating in an educational program, which stresses academic, social, emotional and physical development.

The basketball program at WCS fulfills the physical development of students while supporting their emotional, social and academic success. A student-athlete within the basketball program will be challenged to be the best version of themselves on and off the court. Members of the WCS basketball program, players and coaches, will be asked to be servant leaders, give championship effort and develop a team attitude. Student-athletes within the program will develop their gifts in order to be the men that God created them to be.

### **SERVANT LEADERS CHAMPIONSHIP EFFORT TEAM ATTITUDE**

***"As each has received a gift, use it to serve one another, as good stewards of God's varied grace: whoever speaks, as one who speaks oracles of God; whoever serves, as one who serves by the strength that God supplies—in order that in everything God may be glorified through Jesus Christ. To him belong glory and dominion forever and ever. Amen."***
