

2023-2024 PARENT STUDENT ATHLETIC HANDBOOK 7TH GRADE - 12TH GRADE

Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, since you know that you will receive an inheritance from the Lord as a reward.

It is the Lord Christ you are serving.

Colossian 3:23-24

Introduction

The purpose of this athletic handbook is to provide a way to maintain consistency through the athletic program and to set forth the standards, policies, and guidelines by which we expect the Northwest Christian Schools sports programs to operate. The rules/procedures of the athletic department are in place to promote safety, order, and assist the student-athlete in reaching their maximum potential for God's glory. This athletic handbook is comprehensive, yet not exhaustive. The athletic director and administration will make any decisions regarding questions or issues not discussed in this handbook.

It is this athletic department's sincere desire that parents and student-athletes thoroughly enjoy their sport experience with NWCS. Parents and student-athletes should familiarize themselves with the rules and procedures explained in this handbook. Please feel free to contact the athletic director or head coaches with any questions or concerns. Thank you for your involvement with NWC athletics.

Athletic Philosophy

Mission Statement:

To glorify God by establishing and maintaining a Christ-centered athletic program, establish Biblical character qualities in our student-athletes, and pursue excellence in all things.

Philosophy & Purpose:

The NWCS athletic program is an integral and important part of the student's total educational experience. Naturally, the athletic administration will promote and advance the overall educational goals and philosophy of NWCS. The athletic administration will strive to maintain an athletic program that is established and rooted in Biblical principles of Christian education. Biblical principles that support a well-maintained athletic program include:

1. Support the overall mission of the school and bring glory to God in all athletic pursuits.
2. Promote the development of Christian character and prepare students for Christian service.
3. Represent the Lord and the school well in the community.
4. Improve competency and excellency in sport and an atmosphere of teamwork.
5. Encourage total student-athlete development (spiritual, physical, mental, & social.)
6. Promote school unity and school spirit.

Philosophy of Competition:

The athletic administration will strive to equip and empower coaches to develop team competitiveness and excellence in athletics. We take this assignment seriously and seek God's direction and wisdom to develop and implement the strategy that we believe will result in a truly excellent Christian school athletic experience.

We believe "winning" is always giving 100% to your teammates, yourself, and the Lord. We are not content with failure for the sake of "good sportsmanship." Winning games is most often accomplished in advance through practice, preparation, and effort. We wish to instill the desire to play hard and to win with humility and lose with dignity. Athletic success is said to be the confidence that comes from knowing that one did his/her very best. **Our emphasis in this area will be two-fold: prepare to win and give 100%, then allow God to exercise His will and accept that joyfully.**

Eligibility:

NWCS belongs to the Washington Interscholastic Activities Association (WIAA). NWCS upholds all the standards of the WIAA and in certain circumstances may have more restrictive rules. NWCS and the WIAA consider participation in activities to be a privilege and not a right, therefore, certain standards of eligibility have been established. Standards on age, residence, and season limitation promote the Association's goals of fairness and equality of opportunity for all participants. Standards on scholarship, attendance, and amateur standing promote the Association's goals of educating youth and promoting activities as an integral part of the total education process.

Athletic Forms & Fees:

To participate in athletics at NWCS, students are required to complete the following items **prior** to being eligible to participate in their 1st practice.

- i. **Registration** of student for the specific sport on NWCS' Final Form webpage. This includes acknowledgement of all permissions, and entry of necessary information.
- ii. **Payment:** Finance will bill families two weeks after the season starts in the way the family requested on FinalForms registration.
- iii. **Athletic Physical Form:** The WIAA requires that each participant (prior to participation) in an activity/program must have on file a statement or prepared form from a medical authority licensed to give a physical exam, certifying that the participant's physical condition is adequate for activities in which the athlete wishes to participate. (Valid for two years.)
- iv. **Signed Athletic Code of Conduct**

Academic Standard for Eligibility:

Student must meet both NWCS and WIAA standards to be eligible for athletics and activities.

- Minimum WIAA standards: passing 6 out of 7 classes at the end of the semester.
- NWCS standards: 2.0 GPA or higher, No "F's" in any classes.

Evaluation Process:

- The 1st semester grade check will be done 5 weeks into the 1st semester.
- After the first initial grade check each semester, grades will be checked every 3-5 weeks. (Flexibility is dependent on holidays, breaks, or progress/report card dates, etc.)

Grade Check Dates:

Students are notified if they are not meeting the academic eligibility requirements, and they then have one week to improve their academic standing, or their eligibility will be compromised. Athletes will be eligible to participate in practices and games during this time frame.

Reinstatement Grade Check Date:

Grade check will be done again for athletes who did not meet standards on the "Grade Check Day." Grades will be checked through the Renweb system, or a teacher can email the Athletic Director. If the athlete's GPA is not at a 2.00 (or above) or the failing grade is not improved to passing, the athlete is declared academically ineligible. This ineligibility will last for **one week**. Athletes will be eligible to practice on "red," but athletes will not be eligible to participate in games, travel with the team, or dress for home games.

TERMINOLOGY for Grade Check Eligibility:

GREEN- Athletes who meet all requirements on grade checks dates. They are a “GO” for their sport’s seasons and are eligible for practices and games.

YELLOW- Athletes who are given one week to improve their grades after not meeting grade check. These athletes are eligible to practice and participate in games.

RED- Athletes who do not pass grade check or improve after a minimum 2-week window will be placed on 1 week ineligibility from contests until the next grade check day.

If an athlete’s grade is still not passing or above a 2.0 after a week of ineligibility from contests, and the athlete is ALSO on an ACADEMIC PROBATION plan with the school, then the athlete would be required to attend study hall (for an hour after school) twice a week in addition to being ineligible from contests. As soon as the athlete’s grades are passing and above a 2.0, the athlete would regain eligibility and not be required to attend study halls twice a week in place of practice.

For the list of this year’s grade check dates, please go to nwcathletics.org and click on forms.

Athletic Misconduct Policy:

Involvement in the Northwest Christian Schools interscholastic athletic program is a privilege, not a right. The conduct rules listed below are a 365 policy that apply to all student/athletes at Northwest Christian High School year-round. Violations of the Code of Conduct are cumulative for grades 7-12.

The investigation of incidents, disciplinary actions and procedural due process shall be the primary responsibility of the head of school, the principal of the school in which the student/athlete attends, and the Athletic Director.

Determination of Misconduct:

- Student/athletes determined to be in violation of the Northwest Christian High School Athletic Code and his/her parents shall be notified by the Principal or Athletic Director of the specific violation as well as the consequences.
- If the student-athlete and/or parents do not agree with the decision of the principal and/or A.D., they may appeal to the headmaster within three (3) business days of the decision. The disciplinary action will remain in effect while the head of school studies the appeal.
- Following violations, the student shall be eligible for reinstatement only after the terms of his/her suspension have been fulfilled and a reentry meeting with the Principal/AD has occurred. The head of school, principal or athletic director shall have the final authority as to the student’s reinstatement of eligibility.

DISCIPLINARY ACTIONS

Violations Concerning Behavior/Alcohol/Tobacco/Illegal Drugs			
Prohibited Conduct	First Offense	Second Offense	Third Offense
Flagrant/Volatile One Time Event or a Pattern of Unsportsmanlike Conduct: Taunting, Physical or verbal abuse, inappropriate gestures, public foul or abusive language, negative or inappropriate social media posts	Reviewed case by case by AD/Administrator; 1 to 2 game suspension or removal from team.	Suspended for a season*	Suspended for 1 Calendar Year*
Actual Possession/Use of: <i>Alcohol/Illegal drugs or marijuana, Tobacco/E-Cigs/Vaping Products</i>	Investigative: 30% of Season* Self-Report: 15% of Season *	Investigative: 100% of Season* Self-Report: possible reduction with certain criteria met, ie. substance abuse counseling	Investigative: 1 Calendar Year* Loss of letter, awards, or records earned
Proximity Possession for: <i>Alcohol/Illegal drugs or marijuana, Tobacco/E-Cigs/Vaping Products</i>	Investigative: 15% of Season* Self-Report: 0% of Season without usage	Investigative: 30% of Season* Self-Report: 0% of Season without usage	Investigative: 100% of Season* Self-Report: 0% of Season without usage
Illegal Acts Including hazing or conduct unrepresentative of NWCS	Reviewed case by case by AD/Administrator		

% of season will be determined by multiplying the number of regular season contests by % and rounding to the nearest whole number. Carry Over Language – if the % is not fulfilled during the present sports season, it will carry over to the next sports season that the athlete completes in good standing.

Definitions Pertaining to Illegal Substances:

- **Actual Possession:** The act of having a substance in one’s custody or control. Actual possession occurs when the item is in the physical custody of the person charged with possession.
- **Proximity Possession:** In the absence of physical possession, if a student-athlete covered by this code is inadvertently at an event and becomes aware of the illegal use or availability of alcoholic beverages, marijuana, legend drugs, anabolic steroids, or tobacco products at that event, they are required to remove themselves from that event immediately and self-report (Refer to letter f below). *Student athletes who fail to self-report OR make a willful choice to remain at the event are in violation of the rule.*
- **Discovery by Investigation:** The process by which an administrator/coach/advisor arrives at a conclusion regarding a student’s involvement in an activities code infraction without the student’s full/honest cooperation.
- **Discovery by Self Report:** Participants who self-report must do so within 2 school days after the event.

Athletic Uniform Policy:

- The student-athlete is fully responsible for the care of his/her school-issued athletic uniform. Athletic uniforms must be worn properly and completely and worn only for games. The athletic administration does not keep extra uniforms on hand in case a student forgets their uniform on game day. Any lost or damaged uniform will be paid for by that individual at a replacement cost. Uniforms that must be re-ordered outside of normal purchasing often cost much more because of the special ordering process.
- The athlete is responsible for school-owned equipment that has been issued to him/her. It will be the financial responsibility of the athlete to pay the cost of lost or damaged equipment.

Athletic Policy on Sunday Activities

- *In Season*
As a rule, no NWCS athletic team will play or practice on a Sunday while in season. Any exceptions to this policy must be approved by the Head of School of NWCS.
- *Summer Activities*
During School related summer activities, coaches may occasionally schedule a Sunday activity due to the nature of summer tournaments, but grace must be extended without penalty to those who have convictions about Sunday observance.
- *Sunday Club Practices*
The NWCS Campus will be closed to all club sports activities on Sundays. Occasional exceptions may be made pending the approval of the Athletic Director and Head of School.

Transportation Policy

Athletes and team members are expected to travel to and from contests with the team when transportation has been arranged for this purpose. A transportation permission waiver (found on Final Forms registration) must be filled out to have student-athlete drive themselves or have them drive with other students or adults. This form can also be found on nwcathletics.org under forms.

Each athlete should treat the bus/van with respect, including removing all trash and personal items before exiting the vehicle. Passengers should respect the rules and authority of the driver.

Elective (Generally across the state or interstate travel) Games

- Must be approved by the Athletic Director and the Principal.
- Students will not be released before noon on the day before if the match/game starts in the morning of the following day or released early at all if the match/game starts in the afternoon of the following day. Exceptions to this rule must be approved by the A.D., Principal, or Head of School.
- The program is responsible for all costs associated with elective travel. This includes bus, driver, fuel, and accommodation if needed.
- Students may not carpool or ride with their parents. Exceptions to this must be approved by the Athletic Director or the High School Principal.
- Elective out of town games may not be scheduled on Easter, Christmas, or Thanksgiving Weekend. Exceptions to this must be approved by the Athletic Director or School Principal.

Athletic Awards

Individual Awards

Each program determines the awards given to their players and the criteria for earning the awards. Athletics prints certificates. Programs may order extra awards through team funds.

Varsity Only – Letters/Pins

- First year varsity players will earn a letter (Not per sport, but once for varsity).
- Second year and beyond varsity will receive a pin.
- Varsity lettering policies will be determined by the coach and approved by the A.D.

Athletic Participation

Homeschool Students and Athletic Eligibility

Students must be enrolled in the NWCS Home School Program to participate in NWCS athletics and must meet the same requirements as traditional students.

8th Grade Eligibility

As a rule, 8th graders are encouraged to participate in their junior school programs. Exceptions will be made with administrative approval to salvage a team or provide opportunities for JH athletes where a sport lacks a JV or Varsity program. If a coach requests the athletic department consider allowing an 8th grade to play on varsity, the Athletic Department and Admin team would form a committee to determine if this rare situation would be allowed.

Minimum Practice Participations Standards

In order for a practice to count as a legal practice, an athlete must attend at least half the regularly scheduled practice.

Multi-Sport Participation

It is not advisable for a student to participate in two different sports teams during the same season. It is possible, however, to play on two different sports teams during the same season if both head coaches, parents, and the athletic director give approval.

Medical Clearance

No athlete may participate in NWCS athletics without being cleared by a qualified medical person. If an athlete goes to a doctor or PT for an injury or suspected injury, they must obtain a note clearing them to participate before being allowed to practice or play.

School Attendance Policy Gameday & Practice Eligibility

Students must be at school all day to participate in practices and games unless they have an **excused appointment** such as a doctor, dentist, physical therapy, counseling, or a pre-approved situation by the A.D. Exceptions to this policy can only be made by the A.D, Principal, or Head of School. Please call the A.D. to get approval if there is a situation that you feel could be excused. Athletes will not be able to miss more than ½ of their scheduled classes **for any excused appointment** to practice or play in a game.

For teams arriving back extremely late from an away game, an excused late arrival could be permitted the next day, but this decision can only be made by the A.D., principal, or HOS.

Non-School Participation:

Students may participate on a non-school team or teams or in a non-school instruction program while also participating on a school team. 18.24.1 **Schools may not give students special treatment or privileges on a regular basis to enable them to participate in non-school athletic activities. Some examples of special treatment or privileges include reduced practice times, special workouts, late arrivals, early dismissals or missing a practice or contest. Regular is defined as being no more than once per week.** If a school gives students special treatment or privileges, the school must report the violation to its league to determine appropriate penalties. B. Penalties assessed to the student for violating this rule are determined by the local school district.

School Discipline

Athletes must understand that any type of school discipline takes priority over athletics. School administration schedules detentions and they are not required to check an athlete's schedule in advance. A teacher may detain an athlete after school if the required work is not completed. If an athlete is unable to travel with the team due to a school discipline issue such as **detention**, the student may participate that day with the team if they are able to arrange transportation. Students may not participate in a game on the day of serving an in-school or out-of-school suspension.

Playing Time

High School Teams

Playing time is at the discretion of the coach. While our athletic mission statement applies in full, the varsity level has been established to fully embrace and enthusiastically represent our Lord and school while competing at an interscholastic high school varsity level. At the varsity level, decisions around playing time are determined by several factors. Emphasis shifts from a participation philosophy to a more mature, competitive philosophy. Using our athletic statements and with uncompromising integrity, it becomes important to give all teams their best chance of succeeding. This will, in many cases, mean some players, due to various reasons, will see less playing time, or in some cases, no playing time in each event.

Junior High School Teams

Junior High School emphasizes participation and skill development while also trying to give the team opportunity for success. Absence from practice or a poor attitude displayed will influence participating in a contest. One goal for junior high teams is to generate enthusiasm and improved skills that can transfer to later years on a varsity squad.

Factors Affecting Playing Time

- The skill the player demonstrates and development of skills as the season progresses.
- The ability to function effectively as part of a team, to follow the game plan and to put the team's success first,
- The effort, attitude and seriousness devoted to practices.
- The way a player fits into the strongest combination of players.

Ways to Increase Playing Time

- Coaches notice intensity in practice, not occasional periods of intensity, but every day, every-minute intensity. To have a legitimate reason to talk to a coach about playing time, a player must bring to the talk a history of practicing with excellence.
- Understand everything the team does, both offensively and defensively. A player cannot expect to play if the coach has doubts about his/her understanding.
- Develop knowledge of as many positions as possible. You never know when the opportunity may come, due to another player's injury, illness, or another reason.
- Want to play, whether for long or short periods of time. Stay mentally ready on the bench.
- If you are a player that comes off the bench, genuinely cheer for those who are playing. Team success also enhances opportunities for all players to get playing time.

Commitment Policy

Athletes and parents must understand they are making a commitment to the Lord, their teammates, and their coach when participating in the athletic program. This commitment carries with it the expectation of attendance at all games, practices, and meetings unless excused by illness or the coach's permission in advance. Participation on teams outside of school should be considered secondary and therefore, should have secondary priority when there is a conflict unless prior arrangements can be agreed upon between the athlete and the coach and the absence meets the WIAA guidelines.

This commitment extends to getting proper nutrition and rest and keeping up with schoolwork. This commitment also extends to quitting a team. Once selected to a team, the athlete and his or her parent/guardian have committed themselves to supporting the school/team through the completion of the sport season. Each athlete has a responsibility to him or herself and the team to finish the season unless, in consultation with the coach, early release from the team is advisable.

Student-Athlete Responsibilities

Committed to Team.

- Be Committed to your team. Attend every practice and game. It is the responsibility of the student-athlete to fully communicate to the coach any tardiness or absences pertaining to games or practices. If they are at school, they should be at practice. If the student-athlete fails to fully communicate, disciplinary action will occur which can result in a penalty of up to a (1) game suspension.
- Be Prepared for all games and practices. Use your time wisely.
- Fulfill your Academic Obligations on time and in full. When it is necessary to miss class time due to travel to an athletic event, the following regulations will apply:
- Always check in with the teacher to find out assignments will be due before leaving and when the assignment(s) are due.
- Turn in any assignments due that day before departure.
- An athlete that receives a detention must miss practice to serve the detention. Coaches have the right to discipline players who are late/ miss practice for detentions.

Support your Coach and Team

- Remain positive towards coaches and teammates.
- Support team goals and coach objectives before personal goals.
- Follow team rules established by your coach.
- Engaging in hazing of other athletes or students will not be permitted.

Strive to Represent NWCS Well

- Respect officials and obey their decisions (All authority comes from God. (1 Pet 2:13).
- Show proper respect to your opponent.
- Play hard within the rules of the game.
- Be a good steward of facilities and equipment. Continue this principle when traveling.
- Win with humility, lose graciously, and congratulate opposing players and coaches.

Appropriate use of social media.

- If students use social media, it is vital they do it in a way that honors one another.

3 Do's

- **Support:** Use social media to support God, NWCS, family and yourself. Show support and positivity and congratulate others' content on great games or practices.
- **Highlight:** Use social media to highlight your coach, teammates, team, and yourself on accomplishments. Along with anything else which exemplifies a Christ-like mindset.
- **Inspire:** Use social media in a Christ-like mindset to inspire those who pay attention to your account. Empowering others is an impactful thing you can do to show God's love.

2 Don'ts

- **Illegal or Foolish Activities:** The standards that are held by NWCS.
- **Extreme Emotions:** There is nothing wrong with being your authentic self-online, but you should be aware and careful of the dangers of social media usage. Wait at least 24 hours before you let emotions like anger, jealousy, or frustration spill over onto social media. What may seem like a fine post at the time, may be considered negligent and end up costing you in the short term and long term in your careers.

Fundraising

Fundraising is an important part of athletic team budgets, so athletes are involved.

Player Removal

The Coach, Athletic Director, and/or Administration retain the right to remove any athlete from an athletic team who violates the rules or philosophy of the NWCS athletic program.

Player Ejections

Player ejection from a game may warrant further game suspension in accordance with league rules and/or the WIAA Handbook. Further disciplinary action may be taken by NWCS administration depending on the situation and circumstances of the ejection.

Parent Responsibilities

Support Student Commitment

- Release your athlete to the coach and the team. Ensure your athlete attends all scheduled practices, contests, and abides by the athletic department's rules.
- Be flexible. As carefully as planning is done, changes in the schedules can happen.

Support the Coach.

- Believe in and support the coach's judgment, character, actions, strategy, and overall philosophy and this will help your child do the same. In contrast, criticism and constant questioning of a coach's actions and overall program will likewise lead the student-athlete in that way. The attitudes and ideas communicated in the home will often be carried out in the heart and mind of the athlete.
- Pick up players on time after practices/games. Our coaches try hard to finish on time.
- Help your child's team by being a scorekeeper, team parent, scoreboard operator, etc.

Support the Team

- View the game with team goals in mind. Accept the goals, roles, and achievements of your athlete. Realize that all players cannot be on the "starting team," but each player is critical to the team's success.
- Accept the judgment of the officials and coaches and remain in control.
- Shout encouragement from the sidelines, and refrain from criticizing.
- Be a daily encourager and pray regularly for athletic teams and coaches.
- Adhere to the Spectator Sportsmanship Policy

Social Media

Strive to only post positive team building information on social media. Negative commentary about coaches or other players can only result in hurt feelings and broken relationships.

Carpool

NWCS personnel will make every effort to provide school transportation to athletic events. Under some circumstances, parents may have to carpool players to away games (dependent upon bus/driver availability). In this instance, parents are responsible for transportation while school personnel will assist in the arrangements.

Meetings/Information

Parents ought to make every effort to attend any informational meetings offered by the athletic department and/or coach. Also, please be familiar with the athletic policies.

Coaches Responsibilities

Coaches should be men and women that are committed to Christ, love young people and are knowledgeable in their sport. Please remember the coaches are not perfect. They are individuals who are growing personally and professionally and are at different stages of maturity in their coaching careers. Please extend gratitude and grace to the NWCS coaches. **Coaches are expected to:**

- Consistently communicate with all people involved in an appropriate manner.
- Hold meaningful, organized practices emphasizing the fundamentals of their sport.
- Abide by the NWCS Athletic Handbook and Employee Policies.
- Serve as a positive role model and exemplify godly character, behavior, and leadership.
- Be competent and knowledgeable teachers of their respective sport.
- Inspire in players a love for the game and a desire to compete.
- Teach Christian character qualities to our athletes and encourage academic success.
- Show restraint and respect when dealing with officials and opposing coaches.
- Reinforce and hold players/coaches accountable for respect and good sportsmanship.
- Coaches will be reviewed by the athletic director on a regular basis.
- The coach, athletic director, and/or administration have the responsibility to hold their student athletes accountable to team rules which includes the right to remove any athlete from a team that violates the rules or philosophy of the NWCS athletic program **or the WIAA policies.**

Communication & Conflict Resolution

Both parenting and coaching are difficult responsibilities. By keeping lines of communication open between parents and coaches, many potential problems can be avoided. The following guidelines are in place to help resolve conflicts, when they occur, in an appropriate manner which upholds the dignity of the student-athlete, parents and coaching staff.

Communication Expectations from Coaches:

- Philosophy, team requirements, and athlete expectations.
- Procedure should student-athlete be injured during participation.
- Strong communication with parents and athletes.

Communication Coaches expect from Parents/Student-Athletes:

- Concern expressed directly to the coach. Student-athletes should take this first step. (See protocol for conflict resolution at the end of this section)
- Notification of schedule conflicts well in advance.
- Concerns about philosophy/expectations before commitment is made to the team.
- Positive role-modeling at contests and practices.

Concerns to Discuss with Coaches:

- Treatment of your student-athlete, mentally and physically.
- Ways to help student-athlete improve or concerns about athlete's behavior.
- Coaching Philosophy or college options and recruiting.

One of our goals is to instill in our student-athletes a sense of ownership and responsibility for their actions. Therefore, it is important that student-athletes learn necessary communication skills and learn how to resolve conflicts in a God-honoring way (Matthew 18 principle).

Do not attempt to confront a coach before, during or directly following an athletic competition or before/during a practice. This includes speaking with a coach, writing emails or sending texts. Communication of this nature rarely promotes resolution. Therefore, the “24-hour rule” will always be in effect. This rule allows for time to reflect and pray, as well as emotions to calm down so a rational, fact-based discussion may take place. The parent/coach meeting should be factual in nature as friend to friend in unity without acrimony or judgement. Please prayerfully consider your motives before approaching a coach. Please note the order of the conflict resolution policy:

Protocol for Conflict Resolution

Step 1- Player to Coach

Step 2- Parent/Player to Coach

Step 3- Parent/Player to Athletic Director

After Step 3- The Athletic Director will brief the Principal/Head of School on the issues and concerns. Following this briefing, the Athletic Director will communicate further action points, meetings, or plans with parties involved as we strive to work through every situation with grace and humility.

Spectator Sportsmanship Policy

The role of the fan is vital to the NWCS athletic department. The athletic department, players and coaches appreciate the support of the parents and fans through prayer, finances, and cheering!

- It is important to make guests feel welcome and create a positive atmosphere at NWC. All visitors should feel they have been treated fairly and dealt with in a sportsmanlike way.
- The following behavior is not acceptable at any contest:
 - Booing or jeering, mocking, or taunting, yelling negative comments to officials or other teams.
 - Confronting officials, coaches, or other participants during or following a contest.
- If a problem occurs, inform the athletic director, or school administration and allow him/her to deal with the situation.
- A game official, school administrator, athletic director, or a school board member has the authority to remove anyone from the premise of an athletic contest for unsportsmanlike behavior. The school may also deny the privilege of attending future contests.

College Athletics

If the student-athlete plans to enroll in college as a freshman and wishes to participate in NCAA Division 1 or 2 sports, he/she must be certified by NCAA Initial Eligibility Clearinghouse and must meet academic guidelines. Please see the school guidance counselor or athletic director for more details. Helpful resources include: *The Guide for College Bound Student Athletes*, ncaa.org, eligibilitycenter.org, playnaia.org.
