4. Click on: **+ Add Sports/Activities** Or, click on a current sport that is shown if your child has more than one activity/sport listed.

6. Click **Update sports/activities**

7. You will now be brought to the FORMS page. On the left hand side, you will see a column of Agreements/Permissions/etc. that are needed for your student to participate in the newly added activity. If the form names are in **red**—they must be completed prior to your child being fully registered for the new activity. If the form names are in **green**—they are complete. (If your child is in athletics, and has to sign particular forms that you have already signed, that form name will appear in **yellow**.) Complete the auto signatures until all forms are in **green**.

8. You are done when you see **Forms finished!**
