West Collierville Middle School Girls' Soccer 2020

Hello WCMS Soccer Hopefuls,

I am glad to see such great interest in the West Girls' Soccer program, and we are looking forward to an AWESOME 2020 season! Please know that Collierville Schools is working hard to keep fall athletics on schedule. However, due to Covid-19 precautions from the spring semester we were not able to schedule our standard June tryout. In order to give adequate time for our soccer families to make necessary adjustments to their summer schedules, West Soccer will hold off on tryouts until after the TMSAA's required summer break, June 22-July 6. My current plan is to wait until the end of July (possibly the 1st week of school in August) to conduct 2020 tryouts.

Tryouts: TBA

I will post an update regarding an official tryout date after the 4th of July weekend.

ATT: All athletes MUST complete a DragonFly Account before participating in any CS athletic event, this includes tryouts. Please take a few moments to register your student-athletes on DragonFly. The Parent Instruction Guide Can be found on the WCMS Girls' Soccer website.

Thank you for your interest and feel free to email anytime,
Coach Curtis
