

FROM THE ATHLETIC DIRECTOR

Welcome to Germantown High School Athletics! Thank you for your support of our athletic teams, coaches, and student-athletes. Maverick athletic teams compete in 22 different sports in the Mississippi High School Activities Association (MHSAA).

The goal of the Germantown Athletic programs is to "... promote the development of the total person" by providing "... opportunities to participate in programs that encourage student success." Teamwork, self-discipline, time management, commitment, sportsmanship, perseverance, and sacrifice are some of the lessons we aim to teach our student athlete. Through participation in athletics, these life lessons will provide the students an opportunity to grow and mature as young adults.

We also hold high standards in regard to sportsmanship and conduct. We expect our student-athletes, coaches, and parents to win with humility and lose graciously. We expect all interactions with opposing teams, fans and coaches to be positive in nature.

The Mavs Booster Club provides tremendous support for our athletic teams. We hope you will consider joining the booster club to help provide additional resources our students need to have the best experience possible as a member of the Maverick athletic family. Go Mavs!

LISA DUNLAP HEAD COACH

This is my fifth season coaching Men's and Women's tennis at GHS. I have always loved tennis from a young age and started taking group lessons at the age of 8. over the state and made many memories that remain with me today. I graduated from Mississippi College with a Bachelor of Arts in Interior Design and a Master's in Teaching Arts.

After college, I played league tennis for several years, playing mostly, singles. Recently, I have gotten back to playing league tennis since recovering from breast cancer in 2016. My son, Kaleb, will be an eleventh grader at GHS this year. Kaleb is involved in the ROTC program at GHS. **GO MAVS!**

VICTORIA PETTIT, KENNY PERRY, BRAD SMOTHERMON, AMBER JONES, NATALIE DUVAL ASSISTANT COACHES

After graduating from Florence High School in 2017, I played softball at Co-Lin Community College and Delta State University. I became the graduate assistant for the Delta State softball program. I took a job at Cleveland Central High School to teach and coach. Shortly after, I went to Mississippi Delta Community College to help with their program serving as the assistant softball coach. My parents, Timmy and Shelley Pettit, have always been my biggest support and shaped me into the person and coach I am today. My two older sisters, Mackenzie and Jordan, have always been my role models. I also have a twin sister, Taylor, who has been by my side through it all. I am very thankful for my family and all their support.

I'm proud to be a member of the Germantown Maverick Softball Coaching Staff serving as a paraprofessional starting my 11th season. While serving the community for over 30 years as a local business owner/operator, I have enjoyed the privilege of being a small part of the education process to help our youth be successful.
