CORE-COURSE LIST

Check to see if your high school has a list of NCAA-approved core courses. No core-course list means courses taken from that high school will not count for NCAA eligibility. If your high school does not have a list, you risk being ineligible to play in college.

ONLINE COURSES/ NONTRADITIONAL

Nontraditional courses are classes taught online or through distance learning, hybrid/blended, independent study, individualized instruction, correspondence or similar means. These types of courses may be acceptable for use in the NCAA initial-eligibility certification process; however, it is important to make sure the nontraditional program has been approved and appears on your high school's list of NCAA-approved core courses.

BE AHEAD OF THE GAME

- Register with the NCAA Eligibility Center your freshman/9th year.
- After your sophomore, junior and senior years, ask your counselor at each high school or program you attended to upload your official transcript to your Eligibility Center account. A six-semester transcript must be submitted in order to have a preliminary certification completed.
