Dear Mariner Students and Families,

Winter Sports are starting this week! With the overlap of Fall Sport CCS Playoffs and Winter Sports Opening-week, it has been a logistical challenge trying to book times for all Winter Sports, as scheduling is for most part out of our control in regards to hosting CCS contests.

With that said, please see the bulletin items for this week below, and for sport specific and contact information on the upcoming Winter Sports Season. We will update each day and share with everyone as Fall Sport results filter in.

***All interested students are encouraged to reach out to the head coach of their respective sport for more information.**

***All students, new and returning, must have Physical Exam paperwork on file with the Athletic Office.**

***All students still in a Fall Sport will receive the same tryout time once Fall season is complete.**
