- Volleyball \$225
- G Basketball \$225
- B Basketball \$225
- B Soccer \$400
- Baseball \$300

SCHOLARSHIP GRANTING ORGANIZATIONS (SGO) & FINANCIAL AID

As part of the Alabama Accountability Act, students from public schools may qualify for an SGO scholarship. These scholarships are provided by external organizations and are renewable annually. SGO scholarships are transferrable from middle school to high school. JPII participates in three SGO programs: C2 Opportunity Scholarships, Rocket City SGO, and Scholarships for Kids. Each program awards scholarships based on zoned-public school and family income.

Internal financial aid is offered to families who do not qualify for an external SGO scholarship. Financial aid does not renew and must be re-applied for annually. Students who receive an SGO scholarship are not eligible for internal financial aid. Internal financial aid does not transfer from middle school to high school.
