

## Las Plumas High School Athletics 2024 - 2025

On behalf of Las Plumas Athletics we wish to share our goals for the upcoming school year. As you know, school operating budgets are tight and the athletics program survives on fundraising and donations from generous members in the Oroville Community. Our goals for the athletic program this year are many, and with your help we can achieve them. Your generous sponsorship money will be used for much needed equipment, uniforms, running youth summer camps and entering tournaments.

Our programs take pride in the development of athletes with character and positive attitudes. We advance skills, sportsmanship, team concepts and pursue victory with honor both on and off the court. Our goals cannot be accomplished without the generous support we receive from the community. See attached advertising programs, and thank you in advance for your continuing support of our youth.
