Soccer Camp!

The Las Plumas High School Girls Soccer Program is hosting a soccer camp this summer. The goal of the camp is to encourage the love of the game of soccer as well as to develop age appropriate skills.

Younger ages—we want to build their confidence by covering basic dribbling, ball skills, and coordination through mini games and competitions. We will also develop key passing and shooting skills.

Older ages—we will cover more advanced ball skills and moves as well as introduce some tactical aspects of the game mixed with more advanced passing and shooting.
