

# Murrieta Valley High School Athletic Clearance

High school students who wish to play a sport must complete the **Athletic Clearance** and have a physical signed by a physician that is dated **AFTER May 1, 2024**, before they can participate in sports, (this includes tryouts, practices, weightlifting, and summer training programs).

Clearance can be attained by either creating an account or updating existing account at [www.homecampus.com](http://www.homecampus.com) and uploading the physical to the website. All required information is collected online, information is saved annually to make the process even faster for returning athletes.

Once online account is created, and physical uploaded, be sure to click “save & continue”.

You will receive a confirmation message stating clearance has been successfully submitted and ready for review by the Athletic Department. You will need to print and sign this sheet and upload it to the website, email it to Karee Mason or drop it by her office. ***THE STUDENT IS NOT CLEARED YET!***

**Once reviewed and accepted you will receive an email stating student is clear to participate in sports. A clearance list will be given to each coach prior to tryouts, and summer camp, if your student is not clear they WILL NOT be able to participate.**

If you have any questions:
