Paperwork Updates

CSISD has a new platform for managing all pre-participation paperwork, so it is imperative that you read the entirety of this message to ensure that your child is prepared for the 2023-24 school year.

- A physical exam and medical history. These are to be completed by a physician only.
- RankOne online paperwork. Paperwork for the 2023-24 school year will become available on April 1, 2023.
