An individual answering in the affirmative to any question relating to a possible cardiovascular health issue (question three above), as identified on the form, should be restricted from further participation until the individual is examined and cleared by a physician, physician assistant, chiropractor, or nurse practitioner.

EXPLAIN 'YES' ANSWERS HERE (attach another sheet if necessary): _____

☐ An electrocardiogram (ECG) is not required. I have read and understand the information about cardiac screening on the UIL Sudden Cardiac Arrest Awareness Form. **By checking this box**, I choose to obtain an ECG for my student for additional cardiac screening. I understand it is the responsibility of my family to schedule and pay for such ECG.

-It is understood that even though protective equipment is worn by the athlete, whenever needed, the possibility of an accident still remains. Neither the UIL nor the school assumes any responsibility in case an accident occurs.

-If, in the judgment of any representative of the school, the above student should need immediate care and treatment as a result of any injury or sickness, I do hereby request, authorize, and consent to such care and treatment as may be given said student by any physician, athletic trainer, nurse, or school representative. I do hereby agree to indemnify and save harmless the school and any school or hospital representative from any claim by any person on account of such care and treatment of said student.

-If, between this date and the beginning of athletic competition, any illness or injury should occur that may limit this student's participation, I agree to notify the school authorities of such illness or injury.

-I hereby state that, to the best of my knowledge, my answers to the above are complete and correct. Failure to provide truthful responses could subject the student in question to penalties determined by the UIL.
