### **STUDENT PARTICIPATION AT MIDDLE SCHOOL LEVEL**

The goal of the athletic program is to offer the opportunity of participation to all students and prepare students for high school athletics. Interscholastic Athletics fosters competition and cooperation. It also represents an area of great potential for teaching dedication, perseverance, courage, poise, and practicing the pursuit of excellence.

All students are expected to enroll in an athletic period at the beginning of the school year to be eligible for participation in specific sports throughout the year. For instance, if a student wishes to engage in basketball, enrollment in athletics is required at the onset of the fall season. Please note that there is no option for an individual sport athletic period. Students are expected to go through the off-season if they are not actively participating in the current in-season sport. However, it is important to clarify that no student is obliged to partake in the in-season sport. Additionally, counselors will not facilitate adding or dropping of athletics during the school year. Exceptions will be made for those students who are new to the district or on a case-by-case basis.

Participation in the Anna ISD Athletic Program is a privilege, not a right. **Since it is a privilege, the coaching staff has the authority to suspend or revoke the privilege when the rules, regulations, or standards of the athletic program are not followed.**

### **RESPONSIBILITIES OF AN ANNA ISD STUDENT-ATHLETE**

All student-athletes have the responsibility to play to win, give their best effort, strive for excellence, and exhibit good conduct at all times in a manner that is a positive example to team members, fellow students, and the community. The fact that an individual has chosen to participate in interscholastic athletics is indicative that the student has taken into consideration the rewards, privileges, and pleasures obtained from participation. In addition, the student understands the responsibility of following rules and regulations and meeting the demands of being a student-athlete. The privilege of representing the Anna ISD Athletic Program coincides with the expectations of the campus principal, coaches, teachers, parents, community, and most of all, fellow teammates and classmates. As a student-athlete, you are always on display.

**The responsibilities of a student-athlete include, but are not limited to, the following:**

- The student-athlete will strive for excellence in all activities at all times while being a member of the Anna ISD Athletic Program.
- The student-athlete will faithfully abide by all rules outlined in the athletic handbook.

The student-athlete will be required to pay for any clothing and/or equipment that is lost, damaged, or destroyed. Issued clothing should not be worn outside of athletic participation (practice/competition). Exceptions may include "game-day" dress.
- Most importantly, the student-athlete will represent Anna ISD to the best of his/her ability to set an example to the community of the values and expectations promoted within the school district.

- Respect coaches, teammates, teachers, staff, administrators and classmates.
- Follow directions the first time they are given.

The athletic program is a vital part of education. The rules, regulations, and standards outlined in this handbook are designed to provide for the efficient operation of a program. ***The student-athlete will be held accountable and responsible for all policies contained within this handbook and for any additional expectations set forth by the Head Coach.***

### **Responsibility of Anna ISD (Student-Athlete) Parent**

- Parents are expected to be supportive of all student-athletes & coaches.
- Parents are responsible for communicating issues to their athlete's coach and head coach. If the matter can not be resolved, the parent may request a meeting with the head coach & athletic director through the athletic secretary. Meetings will be held during the conference period of the head coach.
- Coaches will not meet to discuss playing time, athletic positions, another student-athlete on the team, or coaching philosophies.

### **ATHLETIC SUSPENSION/ REMOVAL FROM A SPORT**

Athletics at AISD is a privilege. Since participation in athletics is a privilege, a student-athlete who violates the general policies and procedures prescribed by the UIL or AISD may lose the privilege to participate. The philosophy of the AISD Athletic Department is to create a successful program based on high standards. The coaching staff will work with each student-athlete to ensure appropriate sportsmanlike behavior. The coaching staff will address any violation of policies – sportsmanship, training rules, missing practice, poor attitude, etc., - with the desire to help the student-athlete. The welfare of the AISD Athletic Department and athletic teams will take priority. Each coach has the right to discipline student-athletes on his/her team keeping in mind the welfare of the team as well as the welfare of the individuals should exercise sound judgment in evaluating situations and penalties being as consistent as possible.

**A coach will dismiss a student-athlete from a team only after:**

- Reviewing the procedure for dismissal
- Discussion of action with the Athletic Director
- Documenting situation and actions
- Providing documentation to parents and student-athletes
- Confirming that all documentation is on file

A coach must report any major disciplinary action within twenty-four hours of the incident to the Athletic Director and the appropriate School Principal.

**Disciplinary due process procedures for removal of student-athletes:**

1. Notification of principal and athletic director within 24 hours
2. Notification of parents within 24 hours

5. Removal decision rendered at or before the end of the three-day suspension

**Student-athletes and parents should be aware:**

1. A school year begins immediately after the last day of the previous school year.
2. **An athlete may not quit one sport to play another sport.** The following procedures should be followed to drop/quit a sport:
  - Examine the situation before a decision is made.
  - Talk to the coach to see if a solution can be reached. (A parent conference may be required)
  - If the decision to quit is made by a student-athlete in grades 7-8, the student-athlete must check out of the sport through the coach. All clothing/equipment issued to the student-athlete must be returned in the same shape as it was when it was issued to the athlete. Payment for any lost or damaged clothing and equipment will be required. This matter must be resolved before a student-athlete begins participating in his/her next sport.
  - A student-athlete who decides to quit one sport to join another must wait until the first sport has completed its season before they are allowed to participate in competition or practice.
  - Exception: Athletes who choose to quit a sport during the two-week “tryout window” will not be subject to this consequence. The tryout window is

defined as the 14 calendar day period of time beginning with the first official practice of the particular sport's season.

- A student-athlete who quits in a manner inconsistent with the above scenarios will not be allowed to compete for the remainder of the school year.
- Students will not be allowed to join a sport after regular season games have started without approval from the Athletic Director. This does not apply to students who enroll during this time.

**Coaches in conjunction with the Athletic Director, reserve the right to prohibit any athlete from joining a team or sport if that athlete has routinely failed to complete seasons in other sports that they have started, whether due to conduct, attitude, or poor academic performance. Failure to participate in the mandatory off-season program may also constitute dismissal from the athletic program. Routinely quitting sports may result in dismissal from the athletic program.**

3. Any athlete placed in the District Alternative Education Program (DAEP) will be ineligible for athletics during the period in which the athlete is in DAEP. Any subsequent assignments during the same school year to any of the following may result in suspension from athletics for the remainder of the school year:

  - administrator detentions
  - out-of-school suspension
  - expulsion
4. Any athlete placed in ISS will be ineligible for any activities of the athletics department until the prescribed time is served. The student is expected to practice with the team when practice falls outside of the school day.

Any student testing positive through the mandatory school drug test will be disciplined according to district policy
6. Any athlete removed from a contest for unsportsmanlike behavior towards an opponent, coach, or official will be counseled by the Athletic Director and the Head Coach the next day. Should the action be repeated in the same school year, the athlete may be removed from the athletic program for the remainder of the year. An athlete

ejected for any of the above behavior will serve a suspension of 10% of total games will be imposed on the athlete.

7. Student-athletes are responsible for all uniforms or equipment issued to him/her. Coach(es) will keep accurate records of equipment and to whom it is issued. Student-athletes must be aware of the financial responsibility of using AISD uniforms and equipment. A student-athlete will not be allowed to participate in any other athletic program until all issued uniforms and equipment are returned in good condition or paid for.
8. Student-athletes are representatives of AISD; therefore, athletes should strive for acceptable and proper conduct at school and all school functions. Athletes should show respect for all coaches, teachers, and administrators.
9. All athletes competing in athletic contests will remain with the team and under the supervision of the coach or athletic trainer until dismissed by the coach or athletic trainer. If an athlete is ejected from the contest the athlete will remain under the supervision of the coach until the athlete is dismissed by the coach. In the case of injury, the coach, athletic trainer, or doctor may become the supervisor of the athlete if the athlete is removed from the site of the contest.
10. Any athlete who has or found to be using alcohol or tobacco (including vape paraphernalia) products of any kind will be suspended from his or her next athletic contest. A second violation will result in dismissal from the athletic program for the remainder of the year.
11. Student-athletes, managers, trainers, or students who leave the sideline, dugout, bench, or stands to participate in a verbal or physical confrontation may be suspended for a future athletic contest(s). Coaches, officials, and the Administrator on duty will deal with the situation. Any athlete, whether as a participating athlete or spectator, is expected to remove him/herself from any involvement in any verbal or physical altercation. **The Athletic Director will make final decisions in all actions taken.**

## **ATTENDANCE/ABSENCES/TARDIES**

Student-athletes are expected to be dressed and on time for all practices and competitions and remain for the duration of the practice or competition. It is the student-athlete's responsibility to notify the coach if he/she must miss a practice or competition. By becoming a member of the Anna ISD Athletic Program, you are committing to the program. **\*An unexcused absence from a game will result in suspension of the next scheduled game.**

\*An excused absence is that of an illness, emergency, etc... A doctor's note or note from a parent may be required.

As with any other activity, please be aware that excessive tardiness or absences will result in a loss of practice/instructional time. This loss of time could subject the student-athlete to loss of playing time or even dismissal from the team. Sport-specific drills and conditioning may be required for any tardy or absence at the discretion of the head coach.

## **DRESS CODE**

In addition to following the Anna ISD Board-approved dress code (found in the student handbook), student-athletes have additional expectations regarding hairstyle and jewelry. Anna ISD strictly adheres to these rules and regulations. UIL, the State Board of Education, and the Texas Education Agency rules are strictly enforced. Coaches may check student-athlete averages at any time within a grading period. Student-athletes may be required to attend tutorials if their grades are not acceptable.

## **Entry to Games**

The Athletic Department **strongly urges** that all student-athletes leave with a parent/guardian only in emergencies. **Middle school athletes will be allowed to ride home from away athletic events with a parent/guardian signature on a travel consent form.** These forms can be downloaded from the school athletic website.

## **HAZING**

“Hazing” is against the law and will not be tolerated. “Hazing” means any intentional, knowing, or reckless act occurring on or off school property directed against a student by one person, alone, or acting with others, that endangers the mental and/or physical health or the safety of a student to pledge, being initiated into, affiliating with, holding office in, or maintaining membership in any organization whose members are to include other students. Under Education Code 37.152, a person commits an offense if the person commits any of the following:

The Anna Independent School District does not discriminate against any person because of race, creed, national origin, age, sex, economic status, or handicapping condition in employment, promotion, or educational programming.
