Have you had any problems with your eyes or vision?  It is understood that even though protective equipment is worn by athletes, whenever needed, the possibility of an accident still remains. Neither the Uninor the school assumes any responsibility in case an accident occurs. If, in the judgment of any representative of the school, the above student should need immediate care and treatment as a result of any injury or sickness, I consent to such care and treatment as may be given said student by any physician, athletic trainer, nurse or school representative. I do hereby agree to school and any school or hospital representative from any claim by any person on account of such care and treatment of said student.	es?	
Are you currently taking any prescription or non-prescription  (over-the-counter) medication or pills or using an inhaler?  Do you have any allergies (for example, to pollen, medicine, food, or stinging insects)?  Have you ever been dizzy during or after exercise?  Do you have any current skin problems (for example, itching, rashes, acne, warts, fungus, or blisters)?  Have you ever become ill from exercising in the heat?  Have you had any problems with your eyes or vision?  It is understood that even though protective equipment is worn by athletes, whenever needed, the possibility of an accident still remains. Neither the Uninor the school assumes any responsibility in case an accident occurs.
