Arkansas Officials Association 2021 Hall of Fame Inductee

Bill Carver

Bill Carver first received the itch to officiate high schools games as a youth when his whistle served as the director of the Saturday morning youth basketball games for 4th, 5th and 6th grade students in his hometown in 1979.

That burning desire to be in that position continued to grow, and within a year, Carver was in line to register with the Arkansas Officials Association. He sharpened his knowledge of the sport by attending local meetings, and the annual summer officiating camps.

He received a bonus along the way with veterans Billy Ply and Jack Yancey, and others from the area, offering valuable tips about the game and preparing him for a post-season assignment outside of his area.

A sign that he was headed in the right direction was when he was teamed with Don Brodell and Matt Moore (two Hall of Famers) for his first three-person

mechanics game.

“I’ve had some great memories,” Carver said. “I’ve had the pleasure to working an All-Star Game and working the state tournaments in all classifications for both girls and boys.

“My professional career was with the Arkansas State Police. Whenever I transferred to a new duty station, there was always a shortage of officials in the area. There were no problems for me finding work.”

Carver is a Saline County native who spent a major portion of the life in northwest Arkansas. He grew up in Harrison where he attended public schools.

Carver officiated basketball from 1980 through 2002, and then turned his attention to football. His last football game was in 2013, and it was one of the biggest nights of his career. His officiating crew and family arranged for his son to fly from Alaska to officiate his last game of his career. There were no dry eyes in the locker room that night.

Carver served in the United State Navy from 1964 to 1966. He was a gunner’s mate and served aboard the USS Manley, a destroyer vessel.

When he was discharged from the Navy, Carver returned to Harrison. Shortly after, he met his future wife Patricia Williams. They were married in November, 1966, and this upcoming November they will celebrate 55 years together. Bill and Patricia have two children, Mel and his wife Liza of Broken Bow, Oklahoma, who have two children and Cara Turner and her husband Bo of Siloam Springs who have four children.

Edwin Gene Etheridge

Born in Little Rock Arkansas to Edwin and Deanna Etheridge. He was raised with three sisters Janet, Lynn, and Karen. He were raised in Little Rock in the Oak Forest neighborhood and graduated from Little Rock Central High School in 1981. As a child I grew up playing baseball and basketball and enjoyed going to my grandparent's farm at Wye Mountain, with summer vacations to Lake Ouachita. While at Little Rock Central during my senior year he his wife, Tina. After graduation he start working at the Target Distribution Center in Mau-melle Arkansas. While working at Target he married wife of 38 years Tina Linsley. Target offered to pay for College classes, and he took advantage of going to UALR during this time. In 1983 he tested for the Fire Department and was hired March 19,1984 as a firefighter. He worked his way through the ranks to the position of Battalion Chief. He just retired from the Little Rock Fire Department on May 1st, 2021 after 37 years plus of service.

Tina and Gene have raised two girls, Natalie -34 and Holly – 31. Holly was the first child born in the State of Arkansas in 1990. He was raised as a Methodist and his wife converted him to Baptist faith and currently a member of Immanuel Baptist Church in Little Rock. Between my two daughters we have 4 Grandchildren all boys which we enjoy sharing time with.

He currently resides in Alexander Arkansas. Gene and Tina enjoy fishing and traveling around the United States. He is proud to be a Lifetime Member of the Arkansas Activities Association.He started in 1991 officiating basketball and was not particularly good. He worked hard at becoming the best could be with a lot of great influences along the way. He found that basketball helped in preparing him for being a Battalion Chief with the Fire Department. Both careers your making split second decisions. Whether it being a block/charge play to managing a fire ground scene both must be quick with firm decisions. The communication you must have with coaches, players, and your officiating partners transcends to the same with Captains and other Chief Officers in the Fire Service.

He have been truly blessed with having a great family as well as career in the Fire Department, and officiating. The great friendships he has made through the AOA and the Fire Service are life lasting.

Larry Moore

The wheels of statewide stardom may have appeared to be moving at a snail's pace for Larry Moore, but very few in Johnson County ever gave it a second thought. They saw the spotlight when he was growing up in Oark, and that light got brighter when he attended College of the Ozarks.

For the last four decades, the rest of the state has witnessed the claim of Johnson County. Larry Moore vaulted to the top as one of Arkansas's outstanding basketball officials. It did not take long for Moore's talent to spread beyond the high school ranks deep into the collegiate ranks.

In short, that was a life Larry Moore dreamed about when he left Oark High School. He got his bachelor's degree from College of the Ozarks and later his Master's from the University of Central Arkansas (down the road in Faulkner County).

Moore coached basketball for seven years at Oark High School. He later received encouragement from the likes of Danny Ham, Chuck Stillwell, Jim Lewis and Grant Wells to dedicate part of his time to officiating high school sports. He worked in the Johnson County area, but also ventured to other areas such as Newton County where basketball wars were a part of life. His biggest supporter was his daughter, Megan Moore, who made the majority of the trips.

Moore was a high school teacher in the Lamar and Clarksville School Districts. He eventually retired after 36 years of service.

Moore officiated on the high school level for 30 "wonderful" years. During that time he worked 24 state tournaments and 12 state finals. He also had five years working in the Gulf South Conference.

There at least one more bright light for Larry Moore. On Friday, July 9, Moore will be inducted into the AHSCA-AOA-AHSAAA Hall of Fame at the Hot Springs Convention Center, Horner Hall.

"I am very proud and honored for the recognition," Moore said. "I made many memories and met a lot of great people along the way.

"We always use to say, don't ever forget where you started. Basketball is a club and no matter where I am and need help, I can depend on a member of the official's club to help."

Jerry Bridges

Jerry Bridges, was born in Hot Springs and is a graduate of Lakeside High School where he played basketball for his father, Jack Bridges. He graduated in 1985 from Ouachita Baptist University where he was a 4-year letterman on the Men's Basketball team coached by Bill Vining. Jerry earned his Masters in Administration from the University of Central Arkansas in 1997.

Coaching basketball runs deep in the Bridges' family. Jerry's father, Jack, coached basketball for 40 years as did his older brothers Jamie and Joe with 30 plus years each of coaching High School Boys Basketball. As a family they have coached in 11 state championship basketball games.

Jerry led all 4 schools he coached, in 4 different classifications, to a State Championship title game, winning 3 State Championship titles and 2 State Runner Up titles.

Jerry spent 31 years as a High School Boys Basketball Coach and 3 years as an Athletic Director for a total of 34 years. He began his High School coaching career at Caddo Hills High School where his team went undefeated to win the Class A

He then went on to lead the Morrilton Devil Dogs to a State Championship in 1991 and a State Runner-Up finish in 1992. Bridges spent 8 years at Fort Smith Southside taking the Rebels to a State Championship appearance in 2000, with a State Runner-Up finish. Bridges left the sidelines for a few years to try his hand in Athletic Administration in Mountain Home. After realizing his heart was in coaching he returned to the basketball court at Cabot High School in 2004. After taking over the reins at Cabot, the Panthers landed 11 consecutive state tournament berths and then accomplished what no one thought could be done...beat the Malik Monk led Bentonville Tigers in 2016 for Cabot's first ever State Championship in Boys Basketball history.

Bridges is a two time recipient of the Lowell Manning Award (1990, 2016) and the AHSCA Boys Basketball Coach of the Year (1990, 2016). Jim Cox

Jim Cox was born in Visalia, California where he spent his first five years. After several family moves, he moved in with his grandparents in Greenwood during his 8th grade year. Right before another move back to California, his junior high football coach, Coach H.B. Stewart, invited Jim to be a part of the Stewart family. The Stewarts took on a teenaged boy to be their son and Jim gained two more sisters and one brother. One of eight siblings, Jim has been married to his wife, Janet, 42 years, and they have two sons, Jacob and wife Jenny, and Jonathan and wife Kendra. Jim and Janet have been blessed with five grandchildren, Raina (10), Coby (6), Willa (5), Micah (3) and Milo (1).

Cox, a 1973 graduate of Greenwood High School, was active in athletics, student government, and other clubs and organizations. He was an all-state and all-star selection in football and chose to walk on at Ouachita Baptist University coached by Buddy Bob Benson and his outstanding staff. A three-year letterman and two-year starter, Cox earned a scholarship his sophomore year and played defensive line on the 1975 A.I.C. championship team. Making it to the play-offs, the 1975 Tiger football team played Salem University in the N.A.I.A. semi-final national championship game. Cox was named the outstanding defensive player of the game. The 1975 team has been inducted into the O.B.U. Athletics Hall of Fame. Cox was a Winburn Scholarship Award winner his junior year and served as a captain of the 1976 team his senior year. An active member of the Beta Beta Social Club and Blue Key National Honor Society, Cox earned his B.S.E. with majors in mathematics and physical education.

After graduating from Ouachita in 1977, Cox enrolled at Henderson State University and was a graduate assistant for Billy Bock and the H.S.U. baseball team. The 1978 team finished runner-up in the N.A.I.A regional tournament to John Brown University. After graduating with a M.S.E. in Guidance and Counseling, Cox returned to Greenwood to join the football coaching staffs of H.B. Stewart, Jr. and Charles (Jeep) Sadler. He served on Jerry Joe Harrison's football staff at Conway High School, where his defensive philosophy took shape under coordinator Bobby Hill. He

was also an assistant basketball coach for Joe Graham and assisted head track coach, Johnny Tyler, along with Mike Strain, and was part of the 1981 state championship track team. Cox was the head football coach at Huntsville and Hot Springs Lakeside before being selected to be the head football coach/athletic director at Fordyce.

Fordyce was, and continues to be, an outstanding supporter for their schools, churches, and citizens of the community. When it comes to backing the Redbugs, the people of Fordyce are "All In." They rally around their teams and encourage the players on and off the field. According to information in the Dallas County Museum, in 1904, Fordyce organized the state's first high school football team. The county has more inductees in the Arkansas Sports Hall of Fame than any other county in Arkansas. Fordyce has a rich tradition of championship football programs, starting with the 1930 state championship during Coach Paul "Bear" Bryant's playing days at Fordyce. The Redbug community is as unique as the mascot. Cox was blessed to be a part of the Fordyce community for ten years.

The student-athletes were willing to put forth the effort to establish a program which would compete for a district title year-in and year-out, and the goal was to annually compete for a state championship as well. The members of the 1990 and 1991 state championship and AP Top 10 teams were in grades 5 - 8 during Coach Cox's first year in Fordyce. They were an outstanding group of athletes who played selflessly and truly cared for one another. The 1990 and 1991 staffs included Steve Baxley, Stan Jones, John Traband, Tim Rodgers, Tommy Harper and volunteers Fred Gill and Larry Smurl. These men were dedicated to the program and worked well together. They were a special group of people for a special time in the history of Redbug Football. Another group of outstanding men on the football staff during Cox's time in Fordyce included Clay Totty, Jonathan Marshall, Brian Bearden, Billy Williams, and Barry Lunney, Sr. Each year, some of the senior football players would help Coach Cox and Coach Jones with seventh-grade football. They also had a part in building the program for success.

Because of the efforts and performances of the Fordyce administration, staff, and players, Coach Cox was inducted into the AHSAAA Hall of Fame in 2010 and the Dallas County Sports Hall of Fame in 2016. He assisted Johnny Toombs in the 1991 All-Star Football Game and was selected as head coach the following year. He was named the 1991 AHSCA Football Coach of the Year, 1990 Arkansas Gazette Football Coach of the Year, 1991 Arkansas Democrat/Gazette Football Coach of the Year and the 1991 & 1992 Pine Bluff Commercial Football Coach of the Year. Cox was 7AA Football Coach of the Year four times. As an athletic director, he was the AHSAAA Athletic Director of the Year for the 1991-92 school year, 1992 NCSSAD Southern Regional Athletic Director of the Year, and 1995 recipient of the AHSAAA State Award of Merit.

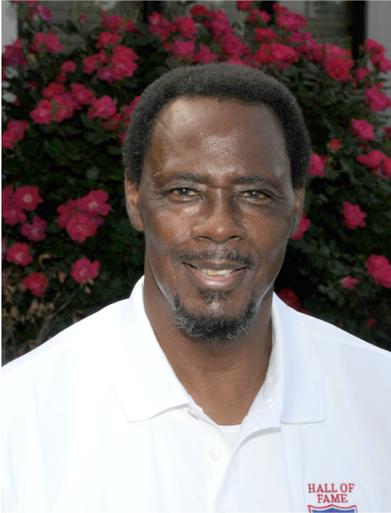

During Cox's tenure from 1986 - 1996, the Redbugs won four football conference championships with two runner-up finishes, made the playoffs five out of the last six years with two state championships and an additional semi-finalist team. The 1989 conference runner-up team went 8 and 2 and did not go to the playoffs. The Redbugs were also the 1991 conference champs in track. The Annual Redbug Elementary Football Camp was started during this time. Cox served as Vice Pres. and President of the AHSAAA and became one of the first few certified athletic administrators (CAA) in the state. He was part of the Coalition of Americans to Protect Sports Leadership Program and served on the National Federation Interscholastic Coaches Education Program (NFICEP) Council. Cox served as a senior counselor for the American Legion Boys' State.

After ten years in Fordyce, Cox and his family made a decision to move back home to Greenwood in order to be close to family. Cox worked in the Greenwood and Fort Smith districts as a teacher/coach and administrator before joining the University of Arkansas - Fort Smith staff as the Dean of Students. Cox earned his doctorate in Educational Leadership from the University of Arkansas - Fayetteville and was selected as the Outstanding Doctoral Student in the Educational Administration Program of 2006. Cox joined the Cedarville Public Schools as the Principal of Cedarville Middle School in 2012 and retired in 2016.

Cox is an active member of the First Baptist Church in Greenwood and currently sings with the Praise Team and choir. He also serves as a deacon and part-time Sunday school teacher.

Ellis 'Scooter' Register

Scooter was born in Memphis, Tennessee on March 3, 1951 as the eldest son to Hilton E. Register and Wanda Marie Register. Scooter grew up in Clarendon, Arkansas and graduated from Clarendon High School in 1969. He was a three-year football letterman and played his entire career for legendary coach, Rush F. "Buddy" Harding. Continuing his education, he attended Henderson State University, where he earned both his Bachelor of Science Degree and Master of Science Degree.

In 1974, Register began his long coaching career in the Little Rock School District as assistant football and head track coach for Forest Heights Junior High School. In the fall of 1976, he was named head football coach at Booker Junior High School. Following one year in that capacity, Register moved to Hall High School as an assistant football coach on the staff of C.W. Keopple, a member of both the Arkansas High School Coaches Hall of Fame and Arkansas Sports Hall of Fame. While at Hall, Register was the running backs coach and head B team coach and also served as an assistant track coach and taught biology. Five years later, he became the head football coach at Henderson Junior High School where he compiled a three-year record of 23-1-1. While at Henderson, his 1982 and 1984 teams went undefeated, with both earning the title of Little Rock City Champions. Scooter returned to Hall High School in 1985 to serve as offensive coordinator for the football team and head track coach.

In 1990, Scooter accepted the position of head football coach at Little Rock McClellan High School. McClellan had not reached the playoffs in 19 seasons, but under Scooter's leadership, the Lions reached the playoffs in his first season at the helm. In 1992, McClellan won the AAAA Central Conference Championship, and Scooter was named the KARK-TV Friday Night Flights Coach of the Year, Little Rock Metro Coach of the Year, and AAAA Central Conference Coach of the Year as well as selected to serve as a coach for the AHSCA All-Star game. In 1994, the McClellan Lions went undefeated during the regular season for the first time in school history, won the AAAA South Conference Championship, and finished as the AAAA State Runner-Up with a 13-1 overall record. Following that season, Register

was named the AAAA South Conference Coach of the year and the Arkansas Democrat-Gazette's Coach of the Year.

The following season in 1995, Register became the head football at El Dorado High School. As with McClellan, Register took over a program that had been struggling, with El Dorado claiming only three wins in the previous two seasons combined. El Dorado experienced a quick turnaround, as Register's 1996 team reached the AAAA state semifinals with a 10-3 record. This brought a record of sustained success during Scooter's time in El Dorado. During his eight season-tenure, the Wildcats went to the playoffs 7 times, with one runner-up finish and twice reaching the semifinals. Overall, the Wildcats claimed 66 wins, two conference championships, and three conference runner-up finishes during Scooter's eight seasons. Also while at El Dorado, Scooter was twice named AAAA South Conference Coach of the Year.

In 2003, Register became the head football coach at Little Rock Catholic High School where his 2004 team advanced to the AAAAA playoffs, which marked the first playoff appearance for the Rockets since 1995. Scooter's 2005 team won the AAAAA Central Conference Championship and reached the semifinals of the state playoffs, winning 11 consecutive games during their conference and playoff run. Following the 2005 season, Register was named the AAAAA Central Conference Coach of the Year and received the Sporty Carpenter Award as the 2005 Coach of the Year, presented by Henderson State University. While at Catholic, his teams advanced to the playoffs in 2007, 2008, and 2009. Following the 2008 season and a quarterfinal appearance, Scooter was named as one of the head coaches for the AHSCA 2009 High School All-Star game.

On December 22, 2009, Register was named the 18th head football coach at Little Rock Central High School. He inherited a program that had lost 22 consecutive games but promised that the team would win a game during the 2010 season. He kept his promise with an overtime victory against Russellville High School. The Tigers won their first conference game in two seasons by defeating Register's former team, Little Rock Catholic at War Memorial Stadium. In 2013, the Tigers won their first playoff game in eight years by defeating Fayetteville on the road. This marked the Little Rock School District's first road win in the playoffs over a team from the Western Conference since Register's McClellan team defeated Fort Smith Southside in 1994.

After Scooter graduated from college, a generous supporter offered to pay for Scooter to attend law school. Scooter respectfully declined, as he wanted to have a career impacting young people's lives through coaching. Scooter's football legacy can be measured in many ways. First, few can match Scooter's sheer longevity. Scooter served as a football coach in Arkansas for 43 years and as head coach for four schools all in Arkansas's highest classification, though McClellan and El Dorado would later move down a classification after his time at the school ended. Further, as a head football coach for 28 years, Scooter amassed approximately 174 wins, which has to be among the highest totals in Arkansas history. Second, Scooter took over four football programs that had been struggling mightily before his tenure, and each of them experienced quick turnarounds, with some schools reaching heights never before reached. Third, Scooter mentored numerous coaches on his staff, 9 of whom went on to become head high school coaches in Arkansas, including Jeff Williams who won a state championship at Fort Smith Southside. Most important, Scooter impacted the lives of countless young people. He cannot go anywhere in Arkansas without seeing a former player or student, and they are always excited to see him and thank him for his impact on their life.

In addition to coaching, Register had a successful 35-year career as a basketball official. He worked 14 years on the collegiate level beginning in the AIC and working in the Gulf South Conference. During his AIC tenure he worked several playoff games and was selected to work the NAIA National Tournament in Kansas City, Missouri and Tulsa, Oklahoma. From 1979 to 1987 Register worked at least one regional or state tournament. He worked the 1986 AHSCA All-Star game and the 1987 Overall State Championship. In 2013, Register was inducted in the Arkansas Officials Hall of Fame.

Scooter has been married to his wife, Sandra, for 42 years. They have two daughters, Randi (Brian) Smith, and Toni (Clarke) Tucker. He is "Pooh" to three wonderful grandchildren, Ellis Tucker, Mari Francis Tucker, and Hilton Russell Smith. Register is a member of The Cathedral of St. Andrews Catholic Church in Little Rock. He is an avid duck hunter and loves spending time on Lake Hamilton with family.
