The athletic trainer, athletic director, coaches, and Hunt Regional Healthcare will be performing athletic physicals for incoming athletes, 7th through 12th grade, for the 2024-2025 school year. As in years past there will be no charge for the physicals, However In order for our Athletic Training department to provide the best medical care possible, we ask those of you who are capable and willing to donate what you can for the services to help enhance our training capabilities. All donations will go directly to our Athletic Training Program, ensuring that we are providing the best care possible for our students.
