

Accident/Incident Report

1. This report pertains to an incident/accident or situation that DOES NOT require activating Law Enforcement/Crisis Intervention for an event occurring during regular school hours, school sponsored activities and on buses transporting students and from school and school sponsored activities.
2. A monthly report containing a summary of accidents will be emailed/faxed to Coordinated School Health at the end of the month.
3. If an accident results in further care from a physician (i.e. broken arm, concussion) immediately email/fax the report to Coordinated School Health.

School Name: _____ Date/Time of Incident: _____
