

MARION HIGH SCHOOL ATHLETIC PHYSICAL EXAMINATIONS

On Thursday, May 24, 2018, the Marion High School Athletic Department will be offering athletic physical examinations for those students who plan to participate in a school sports program during the 2018-2019 school year.

The physicals will be given at the Marion High School Wellness Center which is located in the HEC Building at the high school. These physicals will be offered to 2018-2019 high school sophomores, juniors and seniors. Newly entering freshman will not be eligible as they must have their shot record up-to-date by their family physician.

All students who desire to participate in the high school sports program must have a current physical on record. Physicals taken during this time will be valid for the entire school year. It is not mandatory to have this school sponsored physical. The sport physical may be given by your family physician.

**There will be a \$10.00 per student charge for the physical.
Make checks payable to Marion High School.**

Examination Schedule

**Thursday, May 24, 2018
11:00 AM – 1:30 PM
