Edmond Santa Fe Pom Expectations

*****All rules & regulations are in addition to the Edmond Public Schools Cheer & Pom District Contract*****

Squad Member Expectations

The primary objectives of an Edmond Santa Fe Spirit Squad Member are:

1. **Be a Leader.** A member's main job is to promote school spirit and unity, support and encourage student body involvement at sporting events and various school activities, and provide half-time entertainment at sporting events. Members are expected to set an example for the rest of the student body by exemplifying loyalty, cooperation, and positive attitudes, as well as represent Edmond Santa Fe by acting as positive role models and demonstrating good leadership qualities at all times. Coaches expect all members to set an example in the classroom, hallways, assemblies, games, events, outside of school, in and out of uniform, and on social media (please refer to the District Contract Social Media clause).
2. **Be Dignified and Responsible.** All athletes are expected to conduct themselves with class and dignity, in and out of uniform. Practice good sportsmanship and be in compliance with all rules and regulations. Members' behavior is not only a reflection of their values, but also of their family, their school, and this program. Members must be responsible for their actions and hold themselves and their teammates accountable.
3. **Be Respectful.** Edmond Santa Fe Pom is a family; important to any family is mutual respect. Members will respect all other members of the spirit squad community, including their teammates, coaches, and other spirit squad members. In return, they will receive the respect that they deserve. Additionally, members must respect the authority of all teachers, administrators, and other authority figures.
4. **Be Committed.** Athletes should take their place in the Edmond Santa Fe Pom program seriously. When a member joins Edmond Santa Fe Pom, they commit to making themselves better every day and they commit to being there for their teammates. Commitment is about being prepared and present, giving every practice full effort, and motivating teammates to do the same. It is also about making the right decisions in the classroom, in the halls, at events, and off of school grounds.

Parent Expectations

1. In order for the Spirit Squads to be successful, it takes the cooperation of the parents, participants, coaches, and administrators.
2. Parents are responsible for all **financial obligations** for camps, clinics, and other expenses involved in this activity during the school year. **These expenses can be offset by fundraisers, but it will be the responsibility of the parents to organize and run the fundraisers, not the sponsors.**
3. Parents need to be aware of the time commitment involved in pom and need to support their child and sponsor in these activities to see that he/she fulfills all responsibilities.
4. Understand by the very nature of the activity, cheerleading, dancing, jumping, leaping, tumbling, and stunting carry a risk of physical injury. No matter how careful the participant and coach are, how many spotters are used, or what landing surface is used, the risk cannot be eliminated. The risk of injury includes minor injuries such as muscle pulls, dislocation, and broken bones. The risk also includes catastrophic injuries such as permanent paralysis or even death from landing or falls on the back, neck, or head. As a parent you understand these risks and will not hold Edmond Santa Fe High School or any of its personnel responsible in the case of accident or injury at any time. You also understand that Edmond Santa Fe will do everything possible to prevent these risks.
5. Parents and participants must trust and support the decisions and appreciate the time made by the coaches and administrators to always do what's best for the team. Please keep in mind that coaches have other responsibilities and commitments outside of Pom, and it is asked that parents and participants respect their personal and professional time. Any questions or problems concerning the squad should be directed to the coaches via **email**. Issues should not be addressed during practices, games, or other school events. Coaches will make every effort to respond to parent questions, concerns, and inquiries **during school hours**.

6. There is a proper chain of command, starting with the athlete to coach, the parent to coach, then the assistant principal, the principal, and finally the school board. In fairness to all parties involved, please follow the chain of command.

Coach

The coaches will work with the squads in the best interest of the team. All coaches want the best for the program and each individual pom member.

1. Coaches make all final decisions. Discipline, demerits, grades, choreographers, practice times, events, etc. are the responsibility of the coaches.
2. Members experiencing problems should talk with their coach first and work with them in finding suitable solutions.
3. Members should treat the coaches with respect. All coaches work diligently for the betterment of the squad, giving up valuable personal and professional time.
4. Teaching duties of the coach take precedence over pom responsibilities.

Camp

1. The coach will determine the campsite and dates. Families are expected to work around camp when planning summer activities.
2. Camp is an expectation for all members. Failure to not participate in Pom Camp may result in not participating in halftimes and/or benching during football games.
3. A squad member can be removed from candidacy if he/she cannot attend summer camp.
4. If a squad attends a summer camp, squad members are expected to pay their own camp costs, as well as the sponsor's and coaches' camp costs.
5. All district, school, and pom policies must be followed at all times at camp. Any discipline issues at camp can result in removal from the squad.
6. Squad members must have all required forms filled out on Rank One prior to the last day of May in order to participate.

Attendance Policy

1. Edmond Public Schools attendance policy will be followed at all practices.
2. Please refer to Attendance Policy #4215 in the Student/Parent Handbook-
 - a. On the tenth (10th) absence a student will receive a "no credit" on his/her transcript for the semester.
 - b. An absence is defined as missing more than fifteen (15) minutes of any part of class time.
 - c. Three (3) tardies equal one (1) absence.
3. **Each member is expected to cover all games and tournaments for which their squad is responsible.**
4. One to two late practice days (until 4:30 or 5pm) may be scheduled weekly for Varsity Pom.
5. Some practices or games may be scheduled over school holidays and weekends.
6. If an athletic event is canceled or postponed, the squad members are to attend the rescheduled event.
7. All practice and/or choreography dates are required for all members.
8. Missing any games or practices will be considered unexcused unless deemed excused by the coach.

Traveling and Away Games

1. For all out-of-town games, squad members must ride the designated and approved bus and must stay for the entire game.
2. After away games/events, squad members may be released to their parent/guardian only. If the coach approves a squad member riding home with their parent/guardian, the child can leave **ONLY** after their parent/guardian has properly communicated with the coach.

Grading Policy

Pom grades will consist of the following:

- Participation grades for attending and participating in pom events and games.
- Homework grades for practicing routines.

Eligibility

Team members must be eligible (passing all classes) in order to participate in pom. Grades are checked every Wednesday to determine eligibility for the following week (Monday through Sunday). For the first failing grade, athletes are put on probation and given one week to be passing all classes. Repeated ineligibility due to grades will result in dismissal from the team.

Game/Event Miss

- If a squad member needs to miss a game/event, the member must **email both** the head and assistant coach **48 hours prior** to the game/event.
- If a squad member needs to miss due to illness, documentation must be submitted to both the head and assistant coach (paperwork from a doctor's office or an email from a parent.)
- If a squad member is going to miss an event with a scheduled performance, they need to submit an email to both coaches 3 weeks in advance unless it's due to illness.
- Coaches will determine on a case by case basis if a game, event or practice miss is excused or unexcused. Unexcused misses will result in demerit points. More than two unexcused event or game misses will result in benching for a game.

Split Squad Events

- **For all split-squad events, no game misses will be accepted.** If a squad member needs to miss a split event they are required to trade an event with another squad member. An **email must be submitted to both coaches 24 hours in advance indicating who the member is trading for.**

Practice Miss

- If a squad member needs to miss practice, arrive late, or leave early for any reason (doctor's appointment, school activity, vacation, etc.), the squad member must **email both** the head and assistant coach **24 hours prior** to the practice. The sponsor/coach will determine whether an absence is excused or unexcused. Appointments and vacations are considered unexcused absences.
- If a squad member is absent or late during school hours (i.e. pom practice class hour), a parent will need to excuse the pom member through the office. **Coaches will not be able to let a squad member leave early during the school practice hour without permission through the office.**

Game Conduct

1. The way that the Pom squad is perceived by students, parents, and patrons are largely decided at games. Therefore, while performing and cheering at games, Pom members are to stay in formation at all times and pay attention to the direction of the squad captains and the sponsor.
2. Gum chewing, slouchy appearance, jewelry, incorrect uniform pieces, bra straps showing, or inappropriate dancing, gestures, and language will not be allowed and may result in an immediate benching.
3. If a pom member is out of uniform or in the wrong uniform, they will not be allowed to cheer. They will then sit with the coach.
4. An injured or ineligible pom member will be required to attend her pom-scheduled events/games in uniform and must sit with the coach.

State Pom

- **The 25-26 State Pom Squad will be announced along with the team announcement after tryouts.**
- We will compete a game day routine at OSDTDA this year. If a squad member would like to take a solo, duet or ensemble to OSDTDA under Santa Fe Pom, they are welcome to - all choreography, practices, costumes and additional entry fees will be the responsibility of the squad members participating.
- Students who try out for pom and make state will be required to fulfill all state requirements.
- Any freshman who makes the state pom team will need to have a 1-6 schedule.

- Per EPS Cheer/Pom Contract, the size of the state squad is left to the discretion of the coaches. The state squad will be announced on the Pom Instagram. The state coaches may name 2-4 alternates for the state squad and may give alternates spots in the formation and compete on the squad.
- Our state squad represents the very best of the Edmond Santa Fe Pom program. Coaches expect exemplary attitudes and behavior for all state squad members. Failure to comply with this expectation will result in demerits or possible dismissal from the state squad.
- State practices are **mandatory**. State team members will be allowed 2 missed practices and 2 sitting out practices due to illness. Any additional misses will result in a movement to alternate status or removal from the competition squad. If a squad member is ill, one of the state coaches must receive documentation from a parent/guardian proving their sickness. If the squad member is ill but not contagious, they are expected to come to state practice and sit out. Failure to do so will result in a demerit. A detailed state practice schedule will be sent out after tryouts, but practices will generally be on Sunday afternoons 3:15-5:30 and Tuesdays during practice and until 5:00pm..

Staying Connected Through Technology

In order to stay connected with our athletes and parent/guardians, we will use the following forms of communication. **The sponsors place a high priority on squad members' personal responsibility for their obligations.** During the school year, members who need to communicate with their sponsor should utilize time during the school day (class time, advisory, before or after school) to speak with their coach in person. Each athlete, and their parent/guardian, should take the following steps in order to receive important information regarding Edmond Santa Fe Pom.

1. **Email**- Important Pom information is sent to squad members and parent/guardians through email. All squad members and their parent/guardian are responsible for knowing all information sent via email. This is the primary form of communication for the parents.
2. **Google Calendar**- Once a participant has made a squad, the coach will email or text out instructions on how to sync your Smartphone calendar with the Santa Fe Pom Calendar! All squad members and parent/guardians need to subscribe to our calendars in order to always have up-to-date information on events, uniform schedules, parent meetings, etc.. If you do not have a Smartphone it will be the member's and parents' responsibility to check the calendar on the website for this information!
3. **Rooms** - We will use this for the majority of the squad communication throughout the year. Rooms can be accessed via the Edmond Public Schools App.

Actions and Consequences

1. At school events, including pom class, practices, and pom-related school activities, all school policies will be followed regarding student behavior and attendance.
2. Merits will be given at the coaches' discretion. Merits will be given for positive attitudes, additional community service, outstanding leadership, work on posters, etc.
3. Any violation to the *Edmond Public Schools District Cheer & Pom Contract* or the *Edmond Santa Fe Pom Athlete/Parent Handbook* may be handled with any combination of the following:
 - a. Loss of points on the academic grade for the physical education credit squad members receive for being on a pom squad.
 - b. Demerits may be issued by any coach or administrator. A squad member who accumulated twelve (12) demerits will result in suspension from the squad for the remainder of the year. On the 4th demerit, the squad member will be benched for the next game. The same applies for the 8th demerit accumulated. Please note that the members facing suspension from the squad have had adequate opportunities to earn merits that would offset demerits. Listed below are reasons demerits may be issued.
